ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. 4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.

ACA-Arkansas code annotated, ADM-average daily membership, ALE-alternative learning environment, Avg.-average, Calc.-calculated, CY-current year, ESA-enhanced student achievement funding, FTE-full-time equivalent, FY-fiscal year, LEA-local education agency, Misc.-miscellaneous, NSL-national school lunch, PY-prior year, Qtr.-quarter, R-state board rule, SGF-student growth funding, SOF-source of fund, URT-uniform rate of tax

1) Miscellaneous funds are defined and calculated as per ACA § 6-20-2303 (12), ACA § 6-20-2308, and ACA § 6-20-2503 (a) (3).
2) Negative funding amounts for 98% of URT X assessment less net revenues indicate funds owed to the state. For those districts receiving SFFA, the negative amount is deducted from SFFA.
3) Educational excellence trust funds are included in foundation funding and are restricted pursuant to ACA § 6-5-307, as amended by Act 170 of 2019. Emergency rules effective July 20, 2019, in part, provide an exemption to the requirement to increase salaries as a result of a school district's trust fund allocation for the 2019-20 school year.
4) The combination of ESA (plus), ESA transitional (plus or minus), ESA withholding (minus), and ESA growth funding (plus) equals the total net ESA funding received by a school district.
5) Eligible school districts shall receive the higher of student growth funding plus special needs (isolated/small district/transportation) funding or declining enrollment funding. No school district shall receive both declining enrollment funding and student growth funding or special needs (isolated/small district/transportation) funding. The initial FY20 state aid notice provides declining enrollment funding that has not been compared to student growth funding and/or special needs (isolated/small district/transportation) funding. Information regarding the calculation of student growth funding pursuant to ACA § 6-20-2305 (c) (2) will be published in a separate commissioner's memo and on the Arkansas Department of Education website (Publications and Reports > Miscellaneous) when available.
