

ARKANSAS LEADERSHIP QUEST

A Multi-tiered Leader Support System

Arkansas continues to support and develop education leaders through the Leadership Quest. The purpose is to provide networking opportunities and personalized learning to enhance leadership skills. Participants in the quest have access to a leadership development coach, regional support coaches, and Arkansas practicing lead principals.

Leadership Quest is focused on developing the instructional leadership skills of public school principals and assistant principals.

DEVELOPING INSTRUCTIONAL LEADERS AT THE BUILDING LEVEL

PROVIDING TRAINING & SUPPORT

Leadership Quest includes three tiers or levels of support. Each level includes mentoring support.

Quests are scheduled throughout the school year. One day of each quest journey is held at different education service cooperatives.

DELIVERING SUPPORT ON AN ONGOING BASIS

USING PROVEN AND RESEARCH-BASED STRATEGIES

Tier I Supports:

- PLCs with discussions about best practices.
- Participants may choose to pursue one or more quests.

Tier 2 Supports:

- Personalized learning.
- Micro-credentials aligned to LEADS competencies.

Tier 3 Supports:

- Targeted support and improvement.
- Technology tools for maximized support.

DELIVERING SUPPORT ON A LOCAL LEVEL

Small group sessions may be held at the district- and school-building levels.
