Arkansas Provisional Pathway to Educator Licensure

This fact sheet is intended to provide information pertaining to the APPEL route to Arkansas Licensure

What is the APPEL Provisional Teaching License?

A two-year provisional license issued to a **fully admitted** participant in the APPEL Program for the purpose of teaching on a part-time or full-time basis as teacher-of-record in an Arkansas public or private school. The license can be issued for one (1) or more licensure content areas for Elementary K-6 or Middle Childhood grades 4-8 or Secondary grades 7-12 content subject areas.

What is the APPEL Program and who can participate?

APPEL is an alternate route to obtaining an Arkansas teaching license for those holding at least a four-year degree in an area other than education. The program is administered by ADE. It is a two-year preparation track that includes:

- Instructional Modules,
- Appropriate employment as a classroom teacher,
- Assessments, and
- On-the-Job Professional Development

What are APPEL Instructional Modules and Assessments?

APPEL Instructional Modules are designed to provide participants the understanding of how to:

- design lessons, and
- provide instruction, and
- build classroom communities, and
- utilize assessments to facilitate student learning

Instruction includes pedagogy in the specific content/subject area and grade level. Participants are assessed utilizing a variety of formative and summative assessments. Each module is scored as pass/fail with attendance and participation being an integral part of the grading system.

Who facilitates and teaches the Instructional Modules?

Two or more, highly qualified facilitators direct each site. Facilitators and instructors are skilled practitioners who offer valuable insight into current, research-based best practices in teaching and learning.

When and how do participants attend Instructional Modules?

Instructional modules are offered at regional sites throughout the state both face-to-face (F2F) and online (OL) for the duration of two years. Participants choose the site when applying. Elementary K-6 is only available at certain APPEL sites. These sites will be announced on the APPEL webpage in March 2018.

Participants attend:

- three (3) weeks of modules in the month of June each year of the two-year program, and
- eight (8) monthly modules during the school year each year of the two-year program in September-April,
- June modules are F2F on Monday-Friday, 8:00am-4:00pm each day, and
- four (4) F2F modules, one Saturday, in the months of Sept., Nov., Feb., and April, and
- four (4) OL modules are completed in the months of Oct., Dec., Jan., and March

How is an APPEL participant eligible to work as a teacher while in the program?

APPEL participants may be employed as a part-time or full-time classroom teacher of record in an Arkansas public or private school while completing requirements of the program. Fully admitted participants receive an official acceptance letter and Employment Eligibility Form (EEF) indicating which subject area(s) and grade level they are eligible to teach, and upon completion of summer instruction **and** being hired, a current, valid, two-year Arkansas Provisional Teaching License.

What is On-the-Job Professional Development?

Participants hired as teacher of record are supported by the hiring school with opportunities for personalized growth and learning. These professional development opportunities provide the participant with additional supports to help hone their pedagogical skills.

What is needed to qualify for full admission to APPEL?

New legislation has resulted in Act 294 of 2017. Act 294 became effective on July 1. As a result, ADE is in transition from current rules to pending rules governing teacher licensure. These pending rules will affect how APPEL accepts candidates to participate in the program for 2018-2019. Refer to the APPEL 2018 Participant Handbook for details. See Appendix 1 (Current Admission Requirements) and Appendix 2 (New Proposed Admission Requirements). Applicants should refer to Appendix 2 when preparing to enter the program for 2018-2019.

If the new rules are not fully in place by March 1, then applicants can be accepted to the program on a Conditional Enrollment Agreement. See the Handbook for explanation. Once the new rules go into effect, then Appendix 2 (New Proposed) admission requirements will be fully implemented.

Where and when do I apply for APPEL?

Applications are accepted from March 1, 2018 to May 31, 2018. The APPEL online application is available during the application window at www.arkansased.gov, search APPEL.
