

# Celebrate Arkansas Teachers All Year!

This toolkit will help you celebrate teachers in your building, district or community. Arkansas teachers deserve to be celebrated!

## PERSONAL LETTER

Stories are powerful, and teachers love to hear how they made a positive impact on a student. Share a story and, if possible, hand deliver the letter with a hug. Teachers love to be reunited with students.

## SOCIAL MEDIA SHOUT-OUT

It means a lot when someone publicly recognizes a teacher's hard work. Use the hashtags #TeachersInspireAR and #TeachArkansas so we can share your shout-out. Print a certificate from our webpage and present it to a deserving teacher.

## FUND PROJECTS

Teachers love to provide amazing learning experiences for their students. Find out what needs you can meet in their classrooms. Collaborate with community partners to fund special projects, supplies or field trips.

## BE A VOLUNTEER

Serve students alongside a teacher in the classroom or on a field trip. Volunteer to bring snacks or read a book. Help plan special programs or help engage students in after-school activities. Be a mentor to students and a cheerleader for teachers.

## RECOGNITION CEREMONY

Partner with the community to plan a teacher recognition ceremony. This could include grant opportunities, a meal or prizes. Use this time to honor a teacher of the year for your buildings and/or district.
