The Arkansas Professional Pathway to Educator Licensure (APPEL) is an alternative preparation route to obtaining an Arkansas teaching license for college graduates holding at least a bachelor’s degree. The program is administered under the auspices of the Arkansas Department of Education (ADE) and is monitored by the ADE Office of Educator Preparation.

Participants may be employed as a part-time or full-time classroom teacher in an Arkansas school while completing requirements for a Standard Arkansas teaching license. Qualifying participants receive a current, valid, two-year Arkansas Provisional Teaching License to work as teacher of record, earning a salary with benefits, while completing the program. Those completing all program and licensure requirements receive the final, Arkansas Standard Teaching License.

The program is a two-year preparation track that includes Instructional Modules, appropriate employment as a classroom teacher, assessments, and on-the-job professional learning. Participants are mentored and receive focused feedback and evaluation via the state’s mentoring and teacher evaluation models. The program’s capstone experience is a submission to edTPA©. edTPA© is a pre-service teacher assessment process which includes a review of a teacher candidate's authentic teaching materials as the culmination of a teaching and learning process that documents and demonstrates each candidate's ability to effectively teach his/her subject matter to all students.

For two years, APPEL Instructional Modules are offered at satellite sites throughout the state for fifteen days each summer and eight monthly modules each school year. All face-to-face modules for both years are delivered at the regional site. The modules do include and are designed specifically for teaching in the content/subject area and grade level. Four modules each year are delivered completely on-line.

Two or more, highly qualified facilitators direct each site. Skilled practitioners who offer valuable insight into current, research-based best practices in teaching and learning deliver instruction for APPEL participants. This is a technology-rich program and requires skills related to using a computer or mobile-device, software applications, and the Internet. Program administrators are dedicated to the focus of providing rigor and relevance in teacher preparation.
APPEL Mission and Vision

MISSION

The mission of the APPEL program is to prepare outstanding teachers to fill vacancies in Arkansas classrooms. To accomplish this mission the APPEL Program:

1. Incorporates a blended learning approach with both face-to-face and online components.

2. Provides a total of 322 or more clock hours of instruction with mentoring support for guidance and professional growth.

3. Consistently updates curriculum to align with standards adopted by the State Board, the Arkansas Teaching Standards, Universal Design for Learning, and the Danielson Framework for Teaching model used for teacher evaluation.

4. Prepares educators to effectively teach and enhance the learning environment and outcomes for diverse learners.

5. Promotes a commitment to understanding and working effectively with children in geographically and culturally diverse settings.

6. Promotes a commitment to recruit participants to help fill hard-to-staff subject and geographical shortage area positions.

7. Employs practitioners as facilitators and instructors who demonstrate excellence in teaching, scholarship, and service.

8. Establishes a professional environment conducive to participant growth and development.

To help achieve this mission, program administrators are committed to working collaboratively with schools, institutions of higher education, other state agency programs, and other public and private groups to address educational issues. Administrators and presenters are actively involved with organizations at the local, state, regional, and national levels, with schools, and with human service agencies.

Vision

Program administrators, facilitators and presenters share a vision for the APPEL Program. This vision is to help future educators understand what accomplished beginning teaching looks like in a classroom and, more importantly, to demonstrate how effective teachers design lessons, provide instruction, build classroom communities, and utilize assessments to facilitate student learning. The program seeks to prepare learner-ready teachers. The program defines a learner-ready teacher as one who is ready on day one of his or her career, to model and develop in students, the knowledge and skills they need to succeed today including the ability to:
think critically and creatively,
apply content to solving real world problems,
be literate across the curriculum,
collaborate and work in teams, and take ownership of their own continuous learning

More specifically, learner-ready teachers:

have deep knowledge of their content and how to teach it,
understand the differing needs of their students,
hold students to high expectations,
personalize learning to ensure each learner is challenged,
care about, motivate and actively engage students in learning,
collect interpret, and use student assessment data to monitor progress and adjust instruction,
systematically reflect, continuously improve, and collaboratively problem solve
prepared to engage in culturally responsive practice to ensure that every student-but particularly students of color- have access to effective instruction

The APPEL program is approved through the State Board of Education at the Arkansas Department of Education. As part of the Title II Teacher Education Report Card, the assessment pass rate for each academic year is published. The pass rate is available to the public and may be accessed online at https://title2.ed.gov. APPEL has an Educator Preparation Provider Report (EPPR). This report is available here: https://adedata.arkansas.gov/eppr/docs/PublicUniversities/2016_7031_APPEL.pdf

APPEL General Requirements and Timelines

IMPORTANT NOTES:

Full admission to APPEL is required for all candidates expecting to be eligible for licensure.

An applicant who is not a U.S. citizen shall provide evidence satisfactory to the Arkansas Department of Education that the applicant meets the criteria of an exception under U.S.C.§1261 for Arkansas to issue a professional license.

Annual enrollment in the APPEL program may be limited by:

- Licensure requirements,
- Licensure area and level of candidates (shortage areas may be given preference), and
- Program capacity (in which case applications will not be accepted after capacity is reached).

If a candidate has been dismissed from another teacher preparation program, they may appeal to be admitted to APPEL. However, candidates who have failed the previous program due to poor attendance or scholarship, or unprofessionalism may not be admitted to APPEL.

ATTENTION: Certain participants in APPEL will be required to complete additional courses before receiving a Standard license upon completion of the program. See APPEL General Requirements and Timelines for details.

The ADE APPEL Program Office will observe the following general deadlines for the Year I application process. Candidates are encouraged to submit all requirements for admission prior to the established deadlines.

- Documented attendance at orientation
- Payment in full of the program fee
- Cleared for a definite site assignment (will receive via email)
- Cleared all required background checks for license to be issued

**There are two (2) tracks in the APPEL program: a one-year program and a two-year program.**

- Participants with a four-year bachelor’s degree who have completed a college/university teacher preparation program (completion of all coursework with the exception of Student Teaching, documented by the college/university official) may be eligible to complete a one-year program if their degree was awarded within ten (10) years of the date of application.
- Participants with a four-year bachelor’s degree, who have not completed a college/university teacher preparation program or who completed a teacher preparation program more than ten (10) years before the date of application, must complete a two-year program.
- Participants admitted to APPEL for Year 1 must provide, in writing no later than the June start date, a request of consideration for the one-year program. Participants must provide official transcripts and a letter from the college/university official documenting completion of a teacher preparation program (all coursework with the exception of Student Teaching).
- If upon review of documentation the one-year program is approved, then the participant is notified and will be placed appropriately to start the program.
APPEL General Requirements and Timelines

A. Transcript Requirements

- Official transcript(s) documenting an awarded four-year college bachelor’s degree or higher from an institution of higher education that is regionally or nationally accredited by an accrediting organization recognized by the U.S. Department of Education or the Council for Higher Education Accreditation.

- ALL transcripts showing ALL coursework are required.

- For out-of-country candidates, an official college transcript evaluation from a Private Credential Evaluation Agency is required.

- All transcripts and evaluations (see Out of Country Transcripts and Evaluations below) must be submitted unopened to the APPEL office with admission documents.

- Electronic Transcripts with a password-protected code can be emailed directly from the college/university to the APPEL Program Advisor OR online transcripts submitted directly from the college/university to the ADE Office of Educator Licensure through the SPEEDE server (ADE-LIC) are acceptable. These are the ONLY online services from which a transcript is considered official. Photocopies or faxed or scanned and emailed copies of documents will NOT be accepted.

Out of country transcripts must be evaluated from an agency that is a member of the National Association of Credential Evaluation Services (NACES) or the Association of International Credential Evaluators (AICE) and must be documented as being equal to a Bachelor’s degree or higher from an accredited U.S. college/university. This must be a course-by-course evaluation, prepared in English, with GPA reflected. Include the unopened and sealed correspondence with the application packet.
APPEL General Requirements and Timelines

B: Testing Requirements
Programs in Arkansas that lead to a teaching license relating to K-12 schools require a passing score on the appropriate Praxis exam(s) and satisfactory completion of all key assessments identified by the individual subject area/grade level.

It is required that certain Praxis exams are completed, meeting the state minimum required cut score, in advance of making application to APPEL. Upon registration, if Praxis scores are reported to ADE (7031) by ETS, then scores should upload to the AELS system. However, there are times when scores do not upload. Applicants should always save a copy of the online score report they receive directly from the password protected ETS account showing passing scores on all required exams in the case that these must be submitted as part of the application packet.

Tests must be passed before applying to the program. Testing on or before May 1st helps to ensure that a score report will be available by the May deadline for admission. The Principles of Learning and Teaching (PLT) exam is NOT required in advance of application but is required to exit the program. See information below for Praxis exam details.
APPEL General Requirements and Timelines

Praxis Subject Assessment®: Content/License Area Assessments-Required for entry into the APPEL Program. Candidates must pass the Praxis Subject Assessment® content specific license area exam(s) for the particular grade level and/or subject area the candidate plans to teach prior to making application to the program.

If seeking licensure in Middle Childhood 4-8 applicants should take and pass at least two of the four available Praxis middle school subject exams prior to making application to the program. Applicants can be admitted with one subject exam passed but MUST pass two exams before being issued a Standard License upon completion of APPEL.

ATTENTION: There are tests that change from time to time. Either a new test is adopted or a cut score for an existing test changes. Keep in mind that Praxis test scores are good for up to three years after a new test goes into effect or a required test score changes.

See the www.ets.org website click Praxis, click State Requirements, choose Arkansas and click on Testing Requirements for details. If unsure whether tests taken previous to the new test would still qualify contact a supervisor in the ADE Office of Educator Licensure or the APPEL Program Advisor.
APPEL General Requirements and Timelines

IMPORTANT:

- APPEL accepts candidates for K-12 regular classroom teaching only.
- APPEL does NOT accept candidates for Special Education, School Counselor or Library Media Specialist.
- APPEL accepts Elementary K-6, Middle Childhood 4-8 and Secondary 7-12 candidates and the K-12 license areas.
- Applicants for APPEL may take any Praxis Subject Assessment(s) in any area(s) for which a license is being sought and for which the program accepts applicants. This makes the candidate more marketable as a teacher.
- After initial admission to the program, areas can be added to eligibility as tests are passed and the scores are submitted to APPEL.
- Participants can license on any one level (K-6, 4-8, 7-12).
- Participants for 7-12 or K-12 can license in any two subject areas for which the tests have been passed and the participant is hired to teach.
- If a 4-8 participant passes three or all four subject tests and is hired to teach in all four subject areas, then the license can be issued in all four subject areas.
- ALWAYS make sure that registration for a test is for the specific test required for the Arkansas license.
- When registering report scores to ADE (7031) Arkansas Department of Education and select APPEL (7032) Arkansas Professional Pathway to Educator Licensure as the attending institution.
- Keep in mind that Praxis Subject Assessments are based on a college/university program of study in that particular discipline.
- It is advised that applicants seek out information on each test provided on the ETS website in the Store before deciding to register and pay.

D: Background Check Requirements

Before a candidate may enter a classroom, the candidate shall apply for and successfully complete the required background checks by the Child Maltreatment Central Registry, Arkansas State Police and the Federal Bureau of Investigation as required by Ark. Code Ann.§ 6-17-410. Proof of initiating the process for completion of the mandatory State, FBI and Department of Human Services (DHS) Central Registry background checks is required. The state of Arkansas requires all applicants for a teacher's license to be fingerprinted and to undergo a successful background check from the FBI, Arkansas State Police, and the Arkansas Child Maltreatment Central Registry within one year of making application for a teaching license.

Questions about this procedure and/or the impact of the outcome upon a candidate should be directed to the ADE Office of Educator Licensure. Refer to http://www.arkansased.org click Educator Licensure, click Background Check Requirements for details. If evidence, as the result of mentioned background checks becomes known that would render the candidate ineligible to receive a teaching license in the state of Arkansas, then this information may be grounds to refuse admission or retention in APPEL. Background checks must be done for licensed positions.

- DO NOT complete the forms for classified or non-licensed district personnel
- Previous background checks done, including for substitute teachers, will not be accepted. New background checks are required.

NOTE: Please be aware that the Arkansas Department of Education has access to and must consider any background check reflecting a conviction (pleading guilty or nolo contendere (no contest) or being found guilty by a jury or judge for any offense listed in Ark. Code Ann. & 6-17-410 as well as any felony involving physical or sexual injury, mistreatment, or abuse against another, including records that have been expunged, sealed or subject to a pardon.

Post- Application, Orientation, Fees, and Site Assignment

Post – Application Process

- Upon receipt of required documents and the online application, candidates (within 7-10 business days) will receive an email. The email will detail whether the applicant has been accepted or whether there is a deficiency in the application.

- If accepted, the applicant receives via email the APPEL acceptance letter and an Employment Eligibility Form (EEF). The acceptance letter and EEF allow a candidate to begin actively applying for open positions with school districts.

- If accepted under a Conditional Enrollment Agreement (CEA), the applicant receives via email the CEA. This agreement allows a candidate to accept a position under certain conditions (see APPEL Teaching Assignment Requirements) until such time the conditions are met and the provisional license can be issued. The candidate may attend summer instruction but MUST meet the conditions of the agreement by designated date according to the terms of the CEA.

- If the application is deficient, the applicant receives via email a Deficiency Form outlining where the application is deficient. All deficiencies must be cleared by the June application deadline for Year 1 admission to the program.

- Accepted applicants register for orientation as instructed in the acceptance email.

APPEL Orientation

- Accepted candidates will register to attend the mandatory orientation meeting scheduled for late May/early June.

- The candidate will attend orientation and decide whether to continue with the program. Details on orientation are included in the acceptance letter.

- Candidates must attend the mandatory orientation meeting to be held in Little Rock.

- Site facilitators attend this meeting and are available to answer questions and distribute site-specific information.

- There are two identical orientation sessions on that day. Candidates should only attend one session.

APPEL Fee Payment

- After receipt of acceptance documents and attending orientation with a tentative site assignment, program fees are to be paid during the fee payment window. Details on how to pay are covered at orientation.

- The fee covers the cost of the culminating assessment, books, instructors, and supplies.
Post- Application, Orientation, Fees, and Site Assignment

- The first-year program fee is required to be paid in full for a definite site assignment to be made and before the candidate can begin attending summer instruction. Candidates do not pay the program fee until they are certain they will participate in the program.

- If electronic payment is unavailable, payment may be submitted via cashier’s check or money order. Do NOT send a personal check. All personal checks will be returned and the site assignment process is halted until proper form of payment is received. Payment made by cashier’s check or money order must be received in the APPEL office by the deadline.

- A refund of program fee (minus $50 for processing) may be provided if the participant informs the APPEL office in writing of the refund request by July 1 of the current program year and has attended NO portion of ANY instructional module. Refunds can take 4-6 weeks to be issued.

**APPEL Site Assignments:** Tentative site assignments are made when the candidate is accepted to the program. The candidate receives an email with information about the site. The candidate meets the site facilitators and picks up specific information at orientation. A permanent site assignment is made once the candidate has paid the program fee in full. The participant would then begin summer instruction in June at the assigned site. The fifteen days of summer instruction (M-F, 8am-4:30pm) are held at the assigned site. Every effort is made to assign participants to the first choice indicated upon the application. However, due to size limitations of facilities, some adjustment may be necessary. In that case, the second choice would be assigned.
APPEL Year 1 Eligibility, Drop and Hold Policies

Year 1 applicants are considered fully admitted participants and eligible for licensure based on the following:

- Admission to the program with receipt of acceptance letter and Year 1 Employment Eligibility Form
- Documented attendance at orientation
- Payment in full of the program fee
- Cleared for a permanent site assignment (upon confirmation of payment with receipt)
- Attend and successfully complete all fifteen days of APPEL Summer Academy at the assigned site

Drop

- If the participant pays the fee but drops the program prior to attending on the first day of summer modules, then upon request in writing by July 1, the fee (minus a $50 processing charge), is refundable.
- If the participant pays and attends any portion the first module there is no refund of the program fee.
- The participant who drops during the summer modules after attending the first day will remain in the program on inactive status for one full year. This means the participant is no longer attending modules and is not eligible for licensure in the current year.

Attendance Policy

Since APPEL is an accelerated teacher-training program, attendance at all training sessions is required. Participants may be absent for a maximum of one day, during the Summer Academy or monthly face-to-face sessions, for valid reasons other than illness or emergency.

If absent for the maximum one day, then the participant must complete an additional assignment given by the Site Facilitator which will be a minimum of seven clock hours equivalent on the missed module topic. This assignment could be through professional development portal or taken from mentoring resources and is left to the discretion of the Site Facilitator.

If a second absence is requested, then an absence request must be submitted in writing to the APPEL Program Advisor and the APPEL Site Facilitator. A half-day (four hours) absence may be granted under the following circumstances:

- If the absence is during Summer Academy due to an interview, then the participant must return to class the next day with a signed interview form, or an email of support from the interviewer or email from the school district human resources administrator or immediate supervisor.
- If the absence is during a monthly face-to-face module, a letter/email of support from the employing school district human resources administrator or immediate supervisor and any supporting documentation must be submitted.
- An absence request for the Summer Academy or monthly sessions must be submitted as soon as the participant knows of a date conflict. If another site is available during the monthly sessions, the participant will attend the alternate site.
- If approved, the participant will be responsible for all regular assignments in addition to a make-up assignment, if deemed necessary, assigned by the site facilitator.

In case of an emergency or illness that leads to an absence during the Summer Academy or monthly sessions, the participant must:

- Submit a written explanation along with the appropriate documentation.
- The written documentation should be submitted to the APPEL Program Advisor no later than three (3) days following the emergency or illness.
- If approved, the participant will be responsible for the regular assignments in addition to any make-up assignments designated by the site facilitator.
- The absence may not exceed two days. The APPEL office reserves the right to send a participant to another site for regular assignments.
• If a participant has a medical reason supported by medical documentation that leads to missing more than the four allowable hours of the regular Summer Academy, he/she can request up to a two-day medical leave. This request must include a letter outlining the reason for missing the session and must include medical documentation. If approved, the participant will be required to make-up the missed sessions in the late summer group.
• Should this occur during a monthly module, the participant will be required to attend the module at another site.

• If all monthly sessions for that month have been completed, the participant may be required to attend a make-up session in May.

• In addition, the APPEL participant must complete a prescribed course through Arkansas IDEAS in order to maintain eligibility.

Any absence over the allowable time outlined above during the Summer Academy or monthly modules, no matter the reason, will not be approved. This could result in the participant having to repeat the entire program, being dismissed from APPEL, and/or rescinding of the teaching license. Any participant who misses a module and the required make-up session will be dismissed from the program.

Every candidate may not be suited for a teaching position. APPEL reserves the right to dismiss candidates who do not possess the dispositions necessary to work with children. It is expected that all participants will agree to and abide by the guidelines set forth in this catalog.

**Appeals** of any decisions regarding any participant are to be made in writing. The first level of appeal is to the APPEL Program Advisor. If the participant does not agree with the decision rendered, then the second level of appeal is to the Office of Educator Preparation, Unit Coordinator. If the participant does not agree with the decision rendered, then the third and final level of appeal is to the Assistant Commissioner, Educator Effectiveness and Licensure. Appeals should not be directed to any other ADE personnel, nor should any level be skipped.
APPEL Instructional Sites Policies

APPEL instructional sites are regionally located throughout the state of Arkansas. Participants are assigned to a site based upon the preferences indicated on the application. However, if a preferred site is full, the participant may be assigned to an alternate site determined by the APPEL Office.

Participants are notified of their site assignment at orientation. Requests for change in site assignment must include a valid reason, and must be made in writing within seven (7) days of Orientation. Changes will not be made at Orientation. If the preferred site is full, a change will not be made.

If a participant does not receive a site assignment, he/she should e-mail the program advisor immediately after the Orientation so that the appropriate assignment may be made. No changes to site assignments will be made at the Orientation.

The following policies are in place and are monitored and enforced by the facilitators at each site.

Once a participant begins Instructional Modules (IM) at an assigned site, he/she must continue to attend modules at that site for the duration of the program.

Codes, rules and by-laws of the host institution are enforced and are to be adhered to. This includes no smoking at any Arkansas public school or Institution of Higher Education.

Participants will:

- Arrive on time for each IM.
- Be present for the entire IM each day.
- Actively engage in all IMs.
- Conduct themselves professionally at all times.
- Restrict the use of cell phones to before/after class and during planned breaks ONLY.

Participants will not:

- Bring children to IM sessions.
- Read, chat, text, listen to headphones, grade papers, etc. during IMs.

If a participant is asked to surrender a cell phone for the remainder of the day, he/she should do so willingly. Failure to follow the request of the site facilitator will result in a red form citation.

Participants are expected to demonstrate a positive attitude toward their students, the APPEL program, site facilitators and the teaching profession.
Disability Accommodations Policy:
If you have self-identified as a student with a disability that means that you are the person to disclose to ADE APPEL that you have a disability and that you require services. You will need to indicate on your APPEL application that you have a disability and need services AND complete the Disability Accommodation Request form. You will find the form at this address: https://acrosser.wufoo.com/forms/z1ddjdqq0md55kq/

This request form must be completed and documentation uploaded to be considered for an accommodation. The request form (with or without the APPEL application) should be submitted at least four weeks prior to the start of APPEL Summer Academy by May 1st. This is so we can help to ensure that arrangements and accommodations can be made before your arrival. The more time the staff has to make these arrangements, the easier the transition to APPEL will be.

An accommodation is:
- provided based on specific needs of a student with a documented disability
- determined by ADE APPEL on a case-by-case basis
- provided for students whose needs require great intervention, such as live American Sign Language (ASL) interpreters or lecture transcripts for live courses
- for circumstances that are difficult to anticipate and prepare for

Please have your documentation available before beginning completion of this form. That way it can be easily uploaded.

Documentation Criteria
In order to receive services from ADE APPEL, your file must contain documentation of your disability. The records kept in our office are confidential and are not part of your academic record. In general, documentation should include:

1. Specific diagnosis and description of the disability, including an indication of the duration of the disability.
2. Names of any standardized tests that were given to determine the disability.
3. Description of any treatment related to your disability.
4. Description of the probable impact of the disability in an academic setting.
5. For the diagnosis of a specific learning disability, objective evidence of a substantial limitation to learning must be provided. At a minimum, the evaluation must address aptitude, achievement and information processing.
6. The documentation must be written on the professional’s official stationary.

Information provided by the professional will be considered when making decisions about the student’s request. Final accommodation decision rests with the program office.

Reasonable accommodations are provided modifications which make a facility or program accessible, allowing a qualified individual with a disability equal opportunities.

The Americans with Disabilities Act (ADA) requires reasonable accommodations as a way to overcome barriers that limit opportunities for otherwise qualified individuals with disabilities.
Other APPEL Policies

Accommodations
If any member of the cohort has a documented disability and needs special accommodations, the site facilitator will work with the student and ADE to provide reasonable accommodation to ensure the student a fair opportunity to perform in this program. In order to plan for optimum success, please advise the ADE Program Advisor and the APPEL Site Facilitator of the disability and the desired accommodation(s) as soon as possible. Participants are strongly encouraged to notify these persons before the first week of classes. Without ample planning/preparation time, the program cannot assure the availability of needed accommodations in a timely manner.

Academic Honesty
The policy regarding “Academic Honesty” as stated in the APPEL Handbook will be fully adhered to in this program. Appropriate citation is critical. Participants caught cheating or plagiarizing work may receive a “F” for the assignment and/or for the module. The participant must keep assignments on record. If a copy of outside work becomes lost or misplaced, the burden of proof is on the participant. Academic dishonesty is a serious offense. It can result in module failure and/or expulsion from the APPEL program.

Cheating
Cheating involves obtaining grades fraudulently. It includes, but is not limited to: copying, or allowing another to copy, answers during an examination; giving or receiving test answers by signal; copying someone else’s assignments; writing an assignment for someone or having one written for you; Plagiarism.

Plagiarism

*Webster’s Encyclopedia Unabridged Dictionary of the English Language* defines plagiarism as “The appropriation or imitation of the language, ideas and thoughts of another and representing them as one’s original work.” To avoid plagiarism, you must provide a citation whenever you use:

- Someone else’s actual spoken or written words or paraphrases thereof;
- Someone else’s graphs, charts, tables, or other illustrations;
- Someone else’s thought, conclusion, or premise;
- Facts that are not common knowledge;
- Materials found on or copied from the Internet, whether or not they are posted for public use.

If the originality of your work is questioned, you will be required to produce working documents (notes, outlines, rough drafts, photocopies, etc.) that confirm authorship. You also must demonstrate detailed knowledge when quizzed.

Participation
In order for a learning community to be effective we all must be responsible for helping one another understand module concepts. Effective participation in collaborative learning
assignments, doing one's fair share of the work, and providing helpful feedback to peers are all important behaviors in this program.

In addition to mastery of module objectives, students will be assessed on their ability to express themselves effectively in both oral and written forms, on their ability to work collegially with their peers, and on their ability to contribute positively to the work of their group. Class participation is thought of in terms of attendance, relevant questions and comments to stimulate discussion, and willingness to listen and respond to others thoughtfully. Participation can take many forms (listening, speaking, reflecting, supporting) in various formats (small groups, large group, pairs). Please be respectful of other students’ opinions and questions. Also, be aware of how your non-verbal behavior influences the quality of interactions from your peers. Participants will be evaluated and participants will self-evaluate based on the provided rubric.

Evidence of positive and successful contributions include attendance, preparedness, participation, Moodle posts, performance on exams, completion of graded and homework assignments, etc.

**Class Evaluation**

In addition to an opportunity for discussion/discourse during class time, the participant will be given an opportunity to evaluate the instruction and module content at the end of each module.
Glossary

**Accredited College or University** - means an institution of higher education that is regionally or nationally accredited by an accrediting organization recognized by the U.S. Department of Education or the Council for Higher Education Accreditation.

**Administrative withdrawal** – automatic dismissal from APPEL as a result of noncompliance with the Rules Governing Educator Licensure or as a result of violation(s) of the policies in the APPEL Participant Handbook. Under this condition the teaching license is revoked and all program fees are forfeited.

**Appropriate employment** - employment as teacher-of-record, teaching a minimum of three hours per day (part-time or full-time) in the appropriate licensure area(s):

- in a traditional classroom setting in an Arkansas public school, charter school, or education service cooperative, or
- in a traditional classroom setting in an Arkansas private school (under certain conditions)

**Note:** Teaching in an environment that is 100% computer-based instruction is NOT considered appropriate employment for APPEL. A teaching position in, or related to, Special Education is NOT appropriate employment for APPEL.

**Arkansas IDEAS** - means Internet Delivered Education for Arkansas Schools, a partnership between the Department and the Arkansas Educational Television Network (AETN) to provide through the AETN access to high quality, online professional development for Arkansas licensed educators.

**Charter School** - includes an open-enrollment public charter school, limited enrollment public charter school, conversion public charter school, or other type of public charter school authorized under Arkansas law.

**Code of Ethics** – the Code of Ethics for Arkansas Educators established by the Professional Licensure Standards Board under Ark. Code. Ann. 6-17-422.

**Conditional enrollment** – Any situation that exists that prevents acceptance into the program without contingent situations. A participant on conditional enrollment must satisfy all contingencies by the specified date in order to satisfy enrollment requirements. Should the contingencies not be resolved by the date agreed upon, the participant will be administratively withdrawn from the program.

**Dispositions** – are the values, commitments, and professional ethics that influence behaviors toward students, families, colleagues and communities and affect student learning, motivation and development as well as the educator’s own professional growth. Dispositions are guided by
beliefs and attitudes related to values such as caring, fairness, honesty, responsibility and social justice.

**On hold** – Temporary, (not to exceed one year), separation from APPEL due to necessary extended absence or the inability to secure appropriate employment. If an APPEL participant attends any summer Instructional Modules but does not secure appropriate employment (or requires extended absence) he/she may be released from the program until the following year, or until appropriate employment is secured. Fees are not refunded but are carried over to the next year. A participant “on hold” is not issued a license.

**Passing Score** - for a state-mandated assessment for licensure means the cut score on the assessment approved by the State Board. A passing score on a licensure assessment approved by the State Board before the currently approved version of an assessment will be accepted for three (3) years after the date the State Board discontinued or replaced the assessment provided the passing score was achieved before the date the assessment was discontinued or replaced.

**Provisional License** - a temporary license issued by the State Board that allows the license holder to teach or work in Arkansas schools.

**Red Form Citation** – a formal, written, documented reprimand for such infractions as (but not limited to) insubordination, late assignments, excessive tardiness, inappropriate behavior, or any violation of the Arkansas Standards of Professional Conduct. Red Form Citations result in review by APPEL. Two red form citations will result in administrative review with possible withdrawal from the program (with a loss of fees) and the teaching license will be rescinded.

**Standard License** - a five-year renewable license, issued by the State Board, which allows the license holder to perform professional education services for the licensure content area and licensure level specified on the license.

**Teacher of Record** - an individual (or individuals in co-teaching assignments) who has been assigned the lead responsibility for a student’s learning in a subject/course with aligned performance measures.
