Data Sources

Parents or legal guardians who choose to provide a home school for their children are required by law to submit current year Notice of Intent to Home School form to the local superintendent of their local school district each year within the established deadline. Meeting this annual requirement maintains legal home school status for the parents or legal guardians.

School districts are required to submit a copy of each form to the Arkansas Department of Education (ADE) for statistical and testing purposes. This report comprises data submitted by the 237 school districts. The accuracy, completeness and timeliness of the data are reliant upon the parents/guardians' compliance with legislation and the school districts' submissions of the information to the ADE.
