

FACT SHEET ON HOME SCHOOLING IN ARKANSAS

(501) 682-1874

State law regulates home schooling in Arkansas.

By law, every parent, guardian, or other person residing within the State of Arkansas having custody or charge of any child age five (5) through seventeen (17) years on or before August 1 of that year shall enroll and send the child to a public, private, or parochial school, or provide a home school for the child in accordance with the requirements of the home school law.

1. DEFINITION OF A HOME SCHOOL

A "home school" is a school provided by parents or legal guardians for their own children.

2. ELIGIBILITY TO PROVIDE A HOME SCHOOL

Parents/legal guardians may provide a home school for their own children. There are no educational requirements for parents/guardians who provide a home school for their child(ren).

3. NOTIFICATION REQUIRED BY LAW

Parents/legal guardians are required to utilize printed, current-year forms that are available from each local school district superintendent's office or electronic submission.

Complete the Notice of Intent to Home School and Waiver forms at the beginning of each school year but no later than August 15; or, subject to the requirements of state law if filing after August 15 or December 15. Return completed, signed forms to the superintendent of the local public school district. A school year is considered from July 1 through June 30.

Notice of Intent to Home School forms submitted after the deadlines are subject to a fourteen (14)-calendar day waiting period that

the superintendent controls. Call the Home School Office for clarification.

Parents have the option of filing an electronic or paper Home School Notice of Intent. Go to: <http://www.arkansased.gov/divisions/learning-services/home-school>

4. NOTICE OF INTENT TO HOME SCHOOL AND WAIVER FORM

Do not file a separate form for each child; file one form per family. **Parents/legal guardians must not leave the required areas blank on the Notice of Intent to Home School and Waiver forms. Incomplete forms do not meet the requirements of state law and will not be accepted.**

Parents/legal guardians will not receive books, curriculum, or an approval letter as a result of filing required Notice of Intent to Home School and Waiver forms.

If a parent submits electronically, an email notification of the submission will follow.

Parents/legal guardians are not required to meet with the local superintendent to discuss their choice of home schooling. The law does not require parents/legal guardians to provide a reason for their choice.

5. STUDENTS UNDER DISCIPLINARY ACTION AT THE PUBLIC SCHOOL

Public school students who are under disciplinary action by the local school district shall be eligible for enrollment in a home school if the superintendent or local school board chooses to allow the child to enroll in a home school; the disciplinary action against the student has been completed or at the end of a school semester, whichever occurs first; or the student has been expelled.

6. CURRICULUM, BOOKS, MATERIALS

Parents/guardians are free to select and purchase their choice of books, curriculum, online, or correspondence programs. Parents/guardians also set their own schedule of instruction for their child(ren).

The Arkansas Department of Education, local school districts, and education service cooperatives are not required to furnish books, curriculum, or materials. It is the parents/guardians responsibility to locate and purchase all books, curriculum, or materials.

7. TESTING NO LONGER REQUIRED

TESTING: Act 832 of 2015 recently repealed home school testing. Parents are no longer required to test their students. If parents choose to test their students, it is at the parents' expense.
