Subject: Message #138: Wildlife of Arkansas Student Art Contest

Date: December 18, 2017

To: ccss@list.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Educators,

Arkansas K-12 students are encouraged to participate in the 2018 Wildlife of Arkansas Student Art Contest. The winners will be showcased in a traveling exhibit making its way to all four Arkansas Game and Fish Nature Centers as well the Arkansas Wildlife Federation Annual Governor's Conservation Awards Banquet. This is an excellent opportunity for students to increase their awareness regarding conservation of Arkansas wildlife and natural areas. Please encourage students to think broadly regarding wildlife. Students might consider woods, mossy areas, wildflowers, caves, and waterways as subjects for their works of art.

Teachers are asked to fill out the paperwork, available at

<https://www.arwild.org/resources/2018%20Wildlife%20of%20AR%20Student%20%20Contest.pdf> All artwork has to be counted, categorized, and submitted to the judges in a timely manner. Make sure to read and follow all guidelines referenced in the criteria. The Contest Criteria can be located the AR Wildlife Federation website at <https://www.arwild.org/>

The contest deadline is February 23, 2018. Please help us increase students' participation by sharing this information with other teachers and schools. For more information, contact Sharon Hacker at 501-837-0462.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
