Subject: Message #162: 2019 Wildlife of Arkansas Student Art Contest

Date: January 8, 2019

To: ccss@list.state.ar.us

From: Arkansas Department of Education Curriculum and Instruction Unit

Dear Arkansas Arts Educators:

Please encourage your students to enter the 2019 Wildlife of Arkansas Student Art Contest, sponsored by the Arkansas Wildlife Federation and Creative Ideas. The winning artwork in this contest will be showcased in an exhibit which travels to all four Arkansas Game and Fish Nature Centers, as well the Arkansas Wildlife Federation Annual Conservation Awards Banquet. This is a great opportunity for students to increase their awareness regarding the conservation of Arkansas, its wildlife, and its natural areas. Students should think creatively when choosing wildlife themes. In addition to animals, students might consider woods, mossy areas, or wildflowers as subjects. Natural areas such as caves and waterways are great areas for wildlife to flourish.

The guidelines, individual entry form, and teachers' list of entries form can be found at <https://www.arwild.org/resources/2019%20StudentContestGuidelines.pdf> Please be sure to read and follow all guidelines referenced in the criteria. The entry deadline is February 15, 2019. More information can be found on the AR Wildlife Federation website at <https://www.arwild.org/event-3155626> Please help to increase student participation in your area by sharing this information with other teachers and schools.

For further information contact Sharon Hacker at 501-837-0462.

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
