Dear Arkansas Curriculum Leaders and Educators,

This summer, the Arkansas Department of Education will be revising the Arkansas Foreign Language Standards. In preparation for that effort, we invite feedback from educators, parents and community members, and students, through the following three surveys:

Survey for educators: <https://goo.gl/forms/hl2Uw6dRr1SfERrz2>

Survey for parents, employers, and other community members:
<https://goo.gl/forms/4X1uOvCrG3LW6SD73>

Survey for students: <https://goo.gl/forms/Tepz0xJejLI9PEZ13>

Please share the teacher survey link with foreign language teachers, administrators, or other interested teachers. Please share the community survey link with parents and community members, and the student survey with students (both those who have and those who have not taken foreign language classes).

The surveys will be available until Friday, June 1.

Please direct any questions about the surveys to david.nance@arkansas.gov

Please share this information with others that might be interested. Thank you for serving the students of Arkansas.
