**Indistar Overview**

Statewide Field Test Team
2016
What is Indistar®?

• Indistar® is a web-based system implemented by a state education agency, district, or charter school organization for use with district and/or school improvement teams to inform, coach, sustain, track, and report improvement activities.

• Similar to a global positioning system (GPS), Indistar® tells you where you are and helps you get to where you want to be — every child learning and every school improving.

• Indistar® is stocked with indicators of evidence-based practices at the district, school, and classroom levels to improve student learning.

• The bottom line is that Indistar® will guide improvement teams — whether district, school, or both — through a continuous cycle of assessment, planning, implementation, and progress tracking.

• Focus will be clear, responsibilities assigned, efforts synchronized.
Indistar® is the platform.

ACSIP is the actual process and plan.

**Who’s on 1\textsuperscript{st}?... Getting the Team Together**

Leadership Team members have to be entered into the system before any work can be carried out.

**Remember:**
Make sure key players, those that represent the student population, are at the table when considering Leadership Team membership.
The leadership team works from a focused agenda.
The Leadership Team...

- Meets regularly and keeps agendas and meeting minutes
- Delves into the data and focuses on student achievement
- Gives focused attention during each leadership team meeting to assessing, planning, implementing, monitoring, and evaluating objectives & goals.
- Dialogues with the SIS & District support team(s).
- The Principal provides direction for all campus teams, focusing on instruction while building leadership capacity for others

GOT COLLABORATION?

ASSESS: Where are we now (current reality)? Where do we want to be? Be sure to use the WiseWays when assessing indicators.

CREATE: How will we get there? What steps will we need to take?

MONITOR: Have we completed all tasks? Do we need to add additional tasks? How can we create sustainability?
2016-2017
Process to determine Indicators
Priority and Focus Schools

Will work directly with the ADE SIS team to identify Success Indicators for the 2016-2017 school year
All Schools...NOT Priority or Focus

• We recommend a range of 3 to 5 Indicators to focus on at a time.

This could mean that a school is focused on a minimum of

16 Indicators

• 13 (Indicators from 2015) + 3 (New Indicators from 2016)
  = 16 School Indicators +
All Schools...NOT Priority or Focus

- We recommend a range of 3 to 5 Indicators to focus on at a time.

This could mean that a district is focused on a minimum of

7 Indicators

- 7 (Indicators from 2015) + 3 (New Indicators from 2016)
  = 10 District Indicators +
