2019 Educator Career Fair Scheduled for March 4 in North Little Rock

LITTLE ROCK — The Arkansas Department of Education will host the 2019 Educator Career Fair from 3 p.m. to 7 p.m. on Monday, March 4 at the Wyndham Riverfront Hotel, 2 Riverfront Place, in North Little Rock.

Representatives from approximately 50 school districts will be available to provide information about current job openings. Attendees also will have the opportunity to network with representatives from ADE, education service cooperatives, and colleges and universities to learn more about education preparation programs, numerous routes to becoming a teacher, and how to add areas of licensure to a current Arkansas teaching license. ADE representatives will be available to assist with background checks and fingerprinting.

"Monday's career fair will be our largest career fair in recent years, with more than 60 school districts, education service cooperatives, and colleges and universities scheduled to participate," said Jeff Dyer, ADE's teacher recruitment and retention program advisor. "We are excited to provide this opportunity to not only educators but to soon-to-be educators and those interested in becoming teachers. The teaching profession is one of the more rewarding careers available, and we encourage everyone to consider it as an option. Not only do you have the opportunity to impact students today, by providing a comprehensive education, you are impacting tomorrow."
