IV.2. Consideration of Request for Approval of the Arkansas Better Chance Program Renewal Grants FY25

Item IV.2. was presented by Ms. Tonya Williams, Assistant Commissioner of the Office of Early Childhood.

The Division of Elementary and Secondary Education - Office of Early Childhood - Arkansas Better Chance (ABC) requested approval of the ABC Program Renewal Grants for the 2024-2025 school year in the amount of \$106,072,095.

The requested funds for the ABC renewal grants will provide early childhood services for children birth to 5 years old. Services will be provided through 227 agencies that oversee 525 sites, serving 23,228 children in both center-based and home visiting settings. These programs employ 3,509 early childhood teachers, paraprofessionals, and program coordinators.

ABC also requested to support foster children, as well as homeless/displaced children as the need arises. ABC provides waivers for the identified children to receive immediate services. The placement of a foster child and/or displaced child in an ABC program would add a per child award above the total awarded number of slots for that program during the 2024-2025 year.

A motion to approve the Arkansas Better Chance Program Renewal Grants FY25 was made by Ms. Leigh Keener, seconded by Mr. Ken Bragg. The motion unanimously passed.
