Re: Camden Fairview School District Claim of Conflict with the Public School Choice Act of 2015, Ark. Code Ann. § 6-18-1901 et seq.

**State Board of
Education**

Dear Ms. Moore:

Ouida Newton
Poyen
Chair

The Arkansas Department of Education, Division of Elementary and Secondary Education, has reviewed the documentation submitted by the Camden Fairview School District in support of the District's claim that provisions of an enforceable desegregation court order or a court-approved desegregation plan bars the District from participating in school choice under the Public School Choice Act of 2015. Specifically, the District provided documents concerning two lawsuits filed in the United States District Court for the Western District of Arkansas: *Milton, et al. v. Clinton, et al.*, Case No. 1:88-cv-1142 and *Lancaster, et al. v. Guess, et al.*, Case No. 1:09-cv-1056.

Dr. Sarah Moore

Vice Chair

Based on the documents presented, the Division has determined that the Camden Fairview School District must participate in school choice under the Act *except* that it currently is exempt from allowing transfers from the Camden Fairview to the Harmony Grove school district based upon the 2001 settlement agreement in *Milton* that the Court incorporated into its February 2002 consent order. If you have any questions or require further information, please do not hesitate to call me at (501) 682-1958.
