Findings:				
1) During the review 380 source documents were reviewed, five household applications were determined incorrectly. One household was determined free and should have been denied based on income, three households were free and should have been reduced based on income and one household was reduced and should have been free based on income.				
2) During the review 380 source documents were reviewed. One application was missing the signature of the person completing the application.				
3) During the review 380 source documents were reviewed. Of those documents 55 of them exceeded the timeline limit for approval in accordance with 7 CFR 245.6(c)(6)(i). The district must notify the household of the children's eligibility and provide free or reduced price meal benefits to eligible children within 10 operating days of receiving the application from the household. The documents were determined past the 10 operating day deadline.				
B. Meal Patterns and Nutritional Quality

Findings:				
1) During the review month of October, the week of October 8-12, 2018 was looked at in depth. While reviewing production records, standardized recipes and crediting information, it was found that the district menu planner was crediting a whole grain, meat/meat alternate food item for more than what was actually served within each portion.

Findings:

- 1) While completing the Contract Meals section of the Administrative Review, it was noted that the preschool contract meal prices did not meet the USDA non-program food revenue requirements. Please see **Commissioner's Memo FIN-15-044 and CNU-19-006** for the pricing recommendations and minimum requirements for contract meals in the Federal Child Nutrition Program.
