Findings:				
1) During review of a weeks' worth of production records it was observed some production records were not completed correctly in accordance with 7 CFR 210.10 (a)(3) Production and menu records. Schools or school food authorities, as applicable, must keep production and menu records for the meals they produce. These records must show how the meals offered contribute to the required food components and food quantities for each age/grade group every day. During the week there were a few food items credited incorrectly.
