Federal regulation 7 CFR 220.8 states that under offer versus serve, students are allowed to decline one of the four food items, provided that students select at least 1/2 cup of the fruit component for a reimbursable meal. Upon observation on the day of the review, when students got to the end of the serving line the cashier was sending students with a serving of ½ cup fruit already on their trays back to get an additional ½ cup fruit juice when the students already had a reimbursable meal
