7. Disciplinary Literacy

AR ELA Standards
(Grades K-6)
AR Disciplinary
Literacy Standards
(Grades 6-12)

Reading in Science and Technical Subjects, Grades K-12

The Arkansas Disciplinary Literacy Standards for college and career readiness on the following pages define what students should understand and be able to do by the end of the grade span. They correspond by number to the Arkansas Anchor Standards for college and career readiness. The Arkansas Anchor Standards for college and career readiness and grade-specific standards are necessary complements—the former providing broad standards, the latter providing additional specificity—that together define the skills and understandings that all students must demonstrate.

Key Ideas and Details

7.1 Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text

7.2 Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas

7.3 Analyze how and why individuals, events, and ideas develop and interact over the course of a text

Craft and Structure

7.4 Interpret words and phrases as they are used in a text, including determining technical, connotative, and figurative meaning; analyze how specific word choices shape meaning and/or tone

7.5 Analyze the structure of texts, including how specific sentences, paragraphs, and larger portions of the text (e.g., a section, chapter, scene, and stanza) relate to each other and the whole

7.6 Assess how point of view, perspective, and/or purpose shapes the content and style of a text

Integration of Knowledge and Ideas

7.7 Integrate and evaluate content presented in diverse media and formats.

7.8 Analyze and evaluate the argument and specific claims in a text, including the validity of the reasoning as well as the relevance and sufficiency of the evidence

7.9 Analyze how two or more texts address similar themes or topics in order to build knowledge or to compare the approaches of the author(s)

Range of Reading and Level of Text Complexity

7.10 Read and comprehend complex literary and informational texts independently and proficiently
