RE: Letter of Intent to Apply for an Open Enrollment Public Charter School

To whom it may concern,

It is my intention, William Scott Loye, to apply for an open enrollment public charter school in downtown Little Rock, Arkansas, which is located within the boundaries of the Little Rock School District, and shall be referred to as William and Mary Elementary School. The proposed school will serve Pre-K through 6<sup>th</sup> Grade, and will initially serve 125 students in the first year of operation. At full capacity, the school will serve Two Hundred and fifty students.

The mission of William and Mary Elementary School will be to serve students with a degree of special needs, such as autism or ADHD, or others that need extra counseling to help manage their way through their academic career.

I personally hold a Masters Degree in Teaching, a Masters Degree in Counseling, and a Juris Doctorate. It is my hope to provide a more innovative, and uplifting learning environment for these children to reach a higher level of academic success. I hope to specialize in working with students from At-Risk community areas, and those that presently have lower than average test scores. It is my goal to have on campus counseling for each student who attends.

Please contact me at: Scott Loye, William and Mary Elementary School, 201 N. Van Buren, Little Rock, AR 72205, [scottloye@gmail.com](mailto:scottloye@gmail.com), 501-276-8011.

Sincerely,

William Scott Loye
