## Letter of Intent To Apply for a District Conversion Public Charter School

To Whom It May Concern:

**Intent:** Waldron School District intends to apply for a district conversion charter.

**Contact Person:** Daniel Fielding, Superintendent, 1560 West 6th Street, Waldron, AR 72958, Phone: 479-637-3179, Email: fielding.daniel@waldronsd.org.

**School to Convert:** Adventure Online Academy (AOA)

**Proposed Charter School Name:** Adventure Online Academy (AOA)

**Location:** Adventure Online Academy would be located in a classroom at our Adventure Learning Academy building at 408 Elm Street, Waldron, AR.

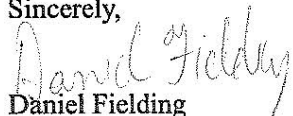

**Grade Levels:** The school would serve students in grades kindergarten through twelve.

**Number of Intended Students:** Preparations will be made to accommodate 25 students at the onset of the program, and we plan to make additions each year as we build the program.

**Purpose and Emphasis:** Waldron School District realizes that as our world changes, the way we educate our students must also evolve. We believe providing choices for students and families can allow us to serve a larger number of students in our community and give them what they need to be college and career ready and to become productive citizens of our world. Right now, our district has approximately 55 students who have signed the necessary paperwork to be homeschooled. We would like to give these students an option for online learning that will accommodate their need for flexibility in where, when, how, and what they learn. Students may work at a pace that compliments their lifestyles while still adhering to all standards of education and rigor of the subject matter. Waldron School District would also like to continue to help build our community through partnerships and community service opportunities through the online school.

We would appreciate your consideration in this matter.

Sincerely,

Daniel Fielding  
Superintendent
