Dear Ms. Perry,

KIPP: Delta, Inc., a 501(c)(3) non-profit organization, intends to apply for an open-enrollment charter school during the 2014 application cycle. KIPP Delta plans to open this new school during the 2015-2016 school year.

KIPP Forrest City College Preparatory School will be located in Forrest City, Arkansas and will serve students in grades 5-8. The school will be located within the Forrest City School District. At full capacity, the school will serve 360 students.

KIPP Forrest City College Preparatory School will offer a traditionally underserved population a strong academic program designed to prepare students to succeed at colleges throughout the nation. The school will be open to students who fill out an enrollment form, regardless of background or prior test scores. The school plans to serve low-income populations who have been traditionally underserved by other schools.
