

AN IMPORTANT REMINDER FROM
RESEARCH & TECHNOLOGY

Security
Awareness Campaign

WHO YOU GONNA CALL?

"In security,
you are only as
secure as the
weakest link."

The Art of Invisibility
Kevin Mitnick

Data incidents and security
threats may include:

*lost or stolen equipment,
violation of security policies,
inappropriate use or access,
inadvertent disclosure,
phishing attack,
inappropriate or
unauthorized access,
suspicious behavior*

REPORT ALL DATA INCIDENTS

AND SECURITY THREATS

IMMEDIATELY

What to do if
your personal
information is
compromised.
