The Notice of Intent and Waiver forms are valid for the entire school year if filed at the beginning of the school year or for the remainder of the school year if filed during the school year. There are no exceptions to these filing requirements except as outlined in 5.02.

5.02 Parents or guardians moving into a school district during the school year must file the current year printed Notice of Intent and Waiver forms with their local public school superintendent's office within thirty (30) calendar days of establishing residency within the district.

6.02 The education service cooperatives and Pulaski County school districts will ensure that all test materials are secure before testing, between and following test administration and provide the Arkansas Department of Education, for approval by the Director, with a common set of procedures for test administration of home school students in the required grade levels. These common set of procedures must include security measures to ensure that appropriate testing conditions and protocol have been followed as specified in the test administration materials.

6.03 Each student enrolled in home school who is considered to be in the required grades or no more than two (2) years beyond the age appropriate grade will be tested by using the State identified norm-referenced achievement test.

6.04 Parents/guardians or groups of home school parents/guardians requesting alternate testing procedures, protocols, locations and/or timeframe must be submitted in writing three (3) weeks prior to the testing window to the education service cooperatives or the Pulaski County school districts and testing must remain within the State identified testing dates. If approved, alternate testing procedure costs, other than the testing materials, shall be the responsibility of the parent/guardian.

6.05 Alternate testing procedures and protocol will be arranged by the education service cooperatives and Pulaski County school districts.

6.06 Requests from parent/guardian whose child(ren) cannot test on Saturdays due to religious reasons will be accommodated. Parent/guardians must indicate in the appropriate section at the time they file their Notice of Intent that their child(ren) cannot test on Saturdays due to religious reasons.

7.00 TEST RESULTS

The Arkansas Department of Education will receive the administrative summaries. The administrative summaries will not contain personally identifiable information.

8.00 TRANSFER OF STUDENTS

As part of the ongoing assessment process, a State identified norm-referenced achievement test shall be one of the instruments utilized.

8.02 Home Schools are not accredited by the Arkansas Department of Education. There are no grades, credits, transcripts or diploma provided by the Arkansas Department of Education, education service cooperative or by the local school district for students enrolled in home school.

8.03 Any home school student who re-enters a local school district must attend classes for at least nine (9) months immediately prior to graduation before the student can become eligible to receive a high school diploma from the local school district.

Sec. 76.651(a)) to students who are home-schooled with disabilities, as defined in state regulations, to access special education and related services from the district where they reside. This policy is not to be construed as conferring the procedural protections and rights under Part B of the Individuals with Disabilities Education Act (IDEA) to such students and their parent/guardians.

9.02 Each student with disabilities in the required grades who participates in the norm-referenced testing program shall, upon notification in the application for testing, be eligible for any or all modifications allowed by the test procedures.
