

## Arkansas Student Success Planning Tools

MaiaLearning provides college and career planning tools to help Arkansas schools meet the Student Success Plans requirements in ACT 930 of 2017. Here are the included and optional items.

### What MaiaLearning Provides for Arkansas Students

#### DASHBOARD

- Respond to assigned tasks, activities, and surveys

#### EXPLORE (ASSESSMENTS)

- **Intelligences\*** - based on Gardner's multiple intelligences theory
- **Interest Profile\*** - uses Holland's RIASEC profile
- **Learning & Productivity** - based on work by Dunn, Dunn, and Price
- **Personality\*** - uses Myers/Briggs personality profile
- **Work Values\*** - based on work by O\*NET

\* Assessment recommends careers

#### CAREER PLAN

- Search Civilian Careers and see O\*NET details on each
  - ◇ By Keyword (900+ careers) and Industry (21 areas)
  - ◇ By Bright Outlook: based on Dept. of Labor flags
  - ◇ By Work Values: using 1st, 2nd, & 3rd priorities
- Search Apprenticeships
- Search Salaries by State
- Search Military Careers
  - ◇ All five service branches and 21 career clusters
  - ◇ Enlisted/Officer and Active/Reserve filters
- Write your Career Plan based upon career top picks and self reflection about areas needing development

#### ACADEMIC PLAN

- Create multi-year course plan based on course catalog
- See completed courses, grades, GPA, and progress toward meeting graduation requirements

#### COLLEGE PLAN

- Search 18,000+ universities, colleges, and vocational institutions in 145 countries
- See detailed college data, including many video tours
- Build Colleges Considering and Applying lists, with:
  - ◇ 1st, 2nd, & 3rd choices
  - ◇ Counselors' Reach/Target/Likely ratings
  - ◇ Your school's historical data and scattergrams
  - ◇ Application results

- Request recommendations and see status
- RSVP for college campus visits and college fairs
- See test scores

#### SCHOLARSHIPS

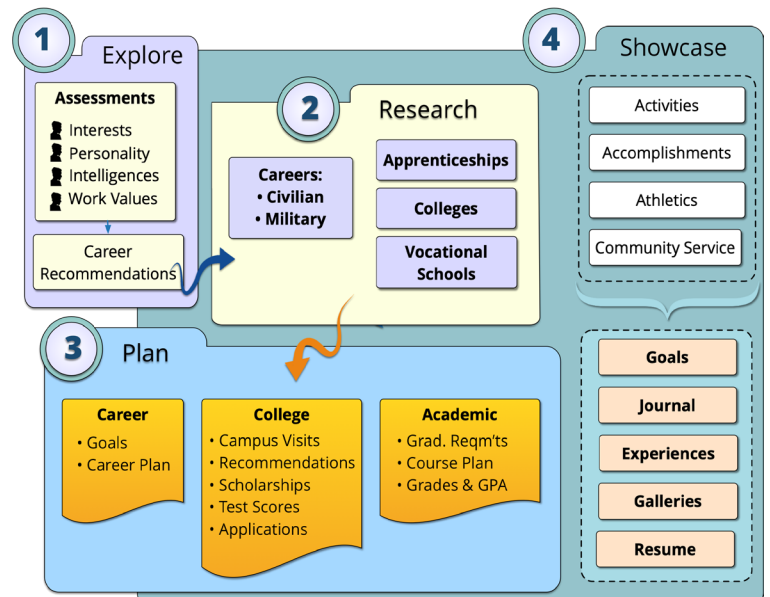

- Search 2M+ scholarships, then apply online and indicate results
- Apply for local school or district scholarships

#### PORTFOLIOS

- S.M.A.R.T. Goals - Create, and see counselor-assigned
- Journals - Create, and see counselor-assigned topics
- Galleries - Show accomplishments with photos & text
- Experiences - Log experiences and select those which should show in the resume
- Create a downloadable Resume

#### CALENDAR

- Track deadlines and commitments
- Request counselor meetings
- Sync with Google, Outlook, and iCal systems

# What MaiaLearning Provides for Arkansas Counselors

## STUDENTS

- Work with individual student accounts
  - ◇ Write private and shared notes
  - ◇ See assessment results; career, college, and academic plans; and portfolios
  - ◇ Edit college lists and comment on colleges
  - ◇ Handle recommendations
  - ◇ Organize college application documents
  - ◇ Send college documents through The Common App
  - ◇ Create ad hoc groups for assignments and communications

## ASSIGNMENTS

- Assign Goals, Journals, Tasks, Activities, and Surveys
- Create a Lesson Plan library within MaiaLearning

## COLLEGE AND MAIAVISITS

- Review college and historical scattergram data
- Set up college campus visits and create visit slots colleges can book
- Manage and write notes about college reps

## REPORTS

- Report on every aspect of career, college, scholarship, and student engagement activity
- Use report-based dynamic groups for communication

## MAIADRIVE

- Share documents and folders with grade levels, caseloads, and groups:
  - ◇ Students
  - ◇ Parents
- See folders and files that students have shared

## DATA UPLOADS

- Upload data whenever you want to
- Move data automatically from your SIS using SFTP

## CONFIGURATION

- Configure MaiaLearning to fit your school's workflow

## CALENDAR

- Add events to your own and students' calendars
- Define office hours which students can book
- Sync with Google, iCal, and Outlook calendars

## MESSAGES

- Send messages by Grade, Caseload, or Group
  - ◇ Contact students, parents, or both
- Create templates for often-sent messages
