

District Instructions for the Alternate Assessment Plan (AAP)

1. Educators will request from the Arkansas approved Educator Preparation Program, a letter of eligibility under the AAP.
2. Educators will present the letter to districts during the interview/hiring process.
3. Districts hiring an educator under an AAP will ensure **additional mentoring, coaching, and yearly progress toward the completion of the DESE approved performance assessment** in the content area will be provided.

- Traditional graduates- Recommendation will come from the university upon employment with an Arkansas School District for the first provisional license. Recommendation will come from the District for the second and third provisional licenses.
- Alternative Preparation Participants- Recommendation will come from the program upon employment with an Arkansas School District while completing the program. If second and third year Provisionals are needed the recommendation will come from the District to Licensure.
