Angela Kremers, Ed.D.
Director
Arkansas Department of Education

Little Rock, AR 72201

Dear Ms. Kremers:

I am writing in response to Arkansas's request on April 16, 2020 that the U.S. Department of Education (Department) waive section 421(b) of the General Education Provisions Act (GEPA), commonly referred to as the "Tydings Amendment," to extend the period of availability of Fiscal Year (FY) 2018 funds for obligation for programs in which the SEA participates as the eligible agency until September 30, 2021, due to widespread school and program closures and disruptions related to the Novel Coronavirus Disease 2019 (COVID-19).

Specifically, Arkansas requested a waiver to extend the period of availability for obligation of the following until September 30, 2021:

- ✓ FY 2018 State grants authorized by Title I of the Carl D. Perkins Career and Technical Education Act of 2006
- FY 2018 State grants authorized by Title II of the Workforce Innovation and Opportunity Act, the Adult Education and Family Literacy Act

After reviewing Arkansas's request, pursuant to authority delegated to me under section 3511(b) of Division A of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act, P.L. 116-136), I am pleased to approve a waiver of section 421(b) of GEPA for these funds, extending their period of availability for obligation through September 30, 2021.

As a reminder, by submitting the waiver, Arkansas assured that:

- The SEA will use, and ensure that its subgrantees use, funds under the respective programs in accordance with the provisions of all applicable statutes, regulations, program plans, and applications not subject to these waivers;
- The SEA will work to mitigate, and ensure that its subgrantees will work to mitigate, any negative effects, if any, that may occur as a result of the requested waiver(s); and
