A-28 edTPA Cut Score Recommendation

In March 2014, the Arkansas Department of Education (ADE) began a process to evaluate Teacher Performance Assessments (TPAs). edTPA was chosen for a two year pilot program based on its availability for immediate implementation. The pilot concludes May 2016. One outcome from the pilot supports that edTPA will provide valuable candidate performance data for educator preparation programs in Arkansas. The Department proposes to have edTPA available as an option for programs that want to adopt it. Therefore, the Arkansas Department of Education would ask the Board for consideration of approval for a teacher candidate to substitute a nationally scored edTPA in lieu of the state-approved pedagogical assessment (Principles of Learning and Teaching or the World Language Pedagogy), if the edTPA score meets the minimum passing standards.

Presenter: *Joan Luneau*

A-29 Consideration of Recommendation to Adopt Praxis Special Education: Core Knowledge and Applications (5354) for New Licensure Endorsement in Special Education Resource

To accommodate educator licensure requirements, the ADE recommends adopting the Praxis Special Education: Core Knowledge and Applications (5354) for a new endorsement in special education resource. Educational Testing Service (ETS) provided the following information for the Praxis Special Education: Core Knowledge and Applications (5354). This test is currently required with a cut score of 151 for licensure in Special Education: Instructional Specialist (K-12). The two-hour assessment contains 120 multiple-choice questions (including10 pretest questions) and covers Development and Characteristics of Learners (19-20 questions); Planning and the Learning Environment (27-28 questions); Instruction (27-28 questions); Assessment (20-22 questions); and Foundations and Professional Responsibility (23-24)questions). ETS provided a Technical Report (attached) from a February 2010 multistate standard-setting study with a recommended passing score to help education agencies determine an appropriate operational passing score. For the Praxis Special Education: Core Knowledge and Applications (5354), the recommended passing score is 151. For the Special Education: Resource endorsement, ADE recommends adopting the Praxis Special Education: Core Knowledge and Applications (5354) with a cut score of 151 effective March 10, 2016.

Presenter: *Michael Rowland*

A-30 Consideration of Recommendation to Adopt Praxis Principles of Learning and Teaching (PLT): Early Childhood (5621) for First Time License in Early Childhood/Special Education Integrated (Birth-K)

To accommodate educator licensure requirements, the ADE recommends adopting the Principles of Learning and Teaching: Early Childhood (5621) as the pedagogy test for a first time license in Early Childhood SPED Integrated (B-K). The content tests already adopted for the Early Childhood/SPED Integrated (B-K) endorsement are the Interdisciplinary Early Childhood Education (5023) and the Education of Young Children (5024). Licensure test requirements for a first-time license in Early Childhood/SPED Integrated (B-K) would be: Interdisciplinary Early Childhood Education (5023), Education of Young Children (5024), and Principles of Learning and Teaching: Early Childhood (5621). The Principles of Learning and Teaching: Early Childhood (5621) is currently the required pedagogy test for the Early Childhood (P-4) license with a cut score of 157. The two-hour assessment is divided into two parts. Part A contains 70 multiple-choice questions covering Students as Learners (approximately 21 questions), Instructional

Process (approximately 21 questions), Assessment (approximately 14 questions), and Professional Development, Leadership & Community (approximately 14 questions). Part B contains four constructed-response questions covering the same four content areas as Part A. Educational Testing Service (ETS) provided a Technical Report (attached) from a March 2011 multistate standard setting study. ETS provided a recommended passing score of 157. For the first-time license in Early Childhood/SPED Integrated (B-K), the ADE recommends adopting the Principles of Learning and Teaching: Early Childhood (5621) with a cut score of 157 effective September 1, 2016.

Presenter: *Michael Rowland*

Action Agenda

A-1 Consideration of the Little Rock School District Report of Progress

Little Rock School District Civic Advisory Committee Co-Chairs Dr. Dionne Jackson and Mr. Greg Adams said the LRSD Civic Advisory Committee continued to meet monthly. Mr. Adams said five community engagement forums are planned across the district. Dr. Jackson said the Committee was tasked with identifying actions to move the district forward in meeting the needs of the schools in academic distress. She said the Committee was against the expansion of charter schools and Teach for America within the district. Mr. Adams said he is concerned about the number of students the district may lose and the impact on the academic distress schools.

Little Rock School District Associate Superintendent for Accountability Mr. Dennis Glasgow reported the pre- and post-test mean results for the third quarter, unit 1. He said the assessments reflected teacher made tests that aligned with what was taught in the unit including both background knowledge and the related standards. He said the intent was to measure the growth in understanding as well as determining levels of proficiency on the standards identified in the pacing guide.

Little Rock School District Deputy Superintendent Mr. Marvin Burton said he reached out to the Marvel-Elaine School District to learn about how the district increased parent engagement at parent-teacher conferences. He said the school improvement specialists have been hired for each school that was required to have a full-time specialist. He said the school improvement specialists reported directly to him. Mr. Burton said that he monitored the work of the specialists to evaluate the changes in the schools. He said the pre- and post-test aligned to state standards.

President of the Little Rock Education Association Ms. Cathy Koehler said from an employee's point of view that previous leadership was confusing and ever changing. She said the current leadership was doing the right things for students. She said the LRSD educators are willing to do their part to help the district succeed. She said Mr. Whitehorn and Mr. Kurrus have been working to improve school climate and teacher attendance. Ms. Koehler said the pre- and post-assessment system was helping to better identify the intervention needs for students.

Little Rock School District Superintendent Mr. Baker Kurrus said the foundation was in place for improving the district. He said difficult decisions are being made in the best interest of students and for a fiscally prudent district. He said the district adjusted to a 190-day contract for teachers. He said the district hired Mr. Jason Pickering as principal for the new West Little Rock Middle School. He said the district was working to reduce transportation costs. Mr. Kurrus said the district would be making decisions that would put students in world-class buildings with student support systems. He will have a facilities report by August 15.

Commissioner Key said Ark. Code Ann. § 6-15-430 provided the guidance for returning the district to local control.

Ms. Reith moved, seconded by Dr. Barth, to accept the Little Rock School District Report. The motion carried unanimously.

A-2 Consideration of the Dollarway School District Report of Progress

Superintendent of the Dollarway School District Ms. Barbara Warren said she was very encouraged about the 1,366 students in the Dollarway School District. She said the district challenges include the lack of functioning and effective systems; emergencies and urgent matters; staff recruitment and retention; facilities; and communication.

Ms. Warren said in response to these challenges, the leadership team was addressing the emergencies and urgent matters through training and a systems approach. She said the team was conducting a needs assessment by talking with partners, district leaders and school leaders. She said the site visit reports, monitoring reports and audit reports were very helpful. She said the needs assessment with teachers, students, and community would be the next steps.

Ms. Warren said the district was working on a Standards Operating Procedures Manual. She said in setting priorities and developing strategies the next step would be to study the whole child tenets and assess the implementation within the district.

Ms. Warren said this is a state partnership - not state takeover. She introduced the leadership cabinet, Ms. Tammie Dockett-Wilson and Dr. Melvin Bryant.

Dollarway Assistant Superintendent of School Improvement Ms. Tammi Dockett-Wilson said the district was improving with the assistance of the Office of Intensive Support.

Dollarway Deputy Superintendent Dr. Melvin Bryant said the team could accomplish the goals for the district. He said he has seen the systems approach working.

Ms. Warren said the community was patient about the district changes but has been very clear about the expectations for success.

Superintendent of the Office of Intensive Support Mr. Andrew Tolbert submitted a written report on the progress of the Dollarway School District.

Commissioner Key said Ms. Warren was the right choice for this district. He said a district under state authority was supported through a whole school approach.

Ms. Saviers moved, seconded by Ms. Zook, to approve the Dollarway School District Report. The motion carried unanimously.

A-3 Consideration of Request for Waiver from Repayment of NBPTS Program Funding- Cynthia Walker

Professional Licensure Standards Board (PLSB) Attorney Ms. Cheryl Reinhart said Cynthia Walker is a licensed educator who received funding under the Rules Governing Eligibility and Financial Incentives for National Board for Professional Teaching Standards Candidacy and Certification Program but did not complete certification. Ms. Walker has requested a waiver from her obligation to repay NBPTS program funding in the amount of $2,665.00 but she did not appear today. She said the Department recommended suspension of Ms. Walker's license until she completes her obligation to repay the NBPTS program funding.

Ms. Saviers moved, seconded by Mr. Black, to suspend Ms. Cynthia Walker's license until she completes her obligation to repay the NBPTS program funding. The motion carried unanimously.

A-4 Consideration for Final Approval: Proposed Arkansas Department of Education Rules Governing Ethical Guidelines

Staff Attorney Ms. Jennifer Davis said Act 846 of 2015 revised Arkansas laws pertaining to the ethical guidelines and prohibitions for educational

administrators, employers, and board members, changing the requirements for contracting with interested party of board members and employers from $5,000 to $10,000. She said on December 10, 2015, the Board approved these rules for public comment. A public comment hearing was held on January 4, 2016. No public comments were received. She said Governor's approval was received on January 4, 2016. She requested the State Board of Education give final approval for these rules pending Legislative Council approval.

Dr. Barth moved, seconded by Ms. Dean, to approve the Arkansas Department of Education Rules Governing Ethical Guidelines. The motion carried unanimously.

A-5 Consideration for Final Approval: Proposed Arkansas Department of Education Rules Governing Education Service Cooperatives

Staff Attorney Ms. Jennifer Davis said Act 846 of 2015 revised Arkansas laws pertaining to education service cooperative distribution of assets of a dissolved education service cooperative. She said on December 10, 2015, the Board approved these rules for public comment. A public comment hearing was held on January 4, 2016. Public comments were received, but no substantive changes were made. She said the Governor's approval was received on January 4, 2016. She requested the State Board of Education give final approval for these rules pending Legislative Council approval.

Ms. Reith moved, seconded by Ms. Chambers, to approve the Arkansas Department of Education Rules Governing Education Service Cooperatives. The motion carried unanimously.

A-6 Consideration for Final Approval: ADE Rules Governing School District Requirements for Personnel Policies, Salary Schedules, Minimum Salaries, and Documents Posted to District Websites

Deputy Counsel Ms. Lori Freno said the ADE proposed revisions to these rules to bring them in compliance with Acts 44, 993, 1087, and 1177 of 2015. She said the State Board released these rules for public comment on December 10, 2015. A public hearing was held on January 4, 2016. The public comment period expired on January 12, 2016. As a result of public comment, the rules were revised to add Sections 7.06 and 7.07, which mirror the language in Act 993 of 2015 allowing teachers to voluntarily teach more students per day than permitted under the Standards for Accreditation for extra compensation. She requested the State Board give final approval to the rules pending Legislative Council review.

Assistant Commissioner for Public School Accountability Ms. Annette Barnes

said if the ADE received information that a teacher was required to teach more students than permitted the ADE would investigate.

Mr. Williamson moved, seconded by Ms. Dean, to approve the ADE Rules Governing School District Requirements for Personnel Policies, Salary Schedules, Minimum Salaries, and Documents Posted to District Websites. Dr. Barth abstained. The motion carried.

A-7 Consideration for Emergency Approval: Section 9.13.1 of the Arkansas Department of Education Rules Governing the Arkansas Comprehensive Testing, Assessment and Accountability Program (ACTAAP) and the Academic Distress Program

General Counsel Ms. Kendra Clay said Act 854 of 2015 amended Ark. Code Ann. § 6-15-2017 to provide for public schools to be eligible for the Arkansas School Recognition Program based on high student performance and high student academic growth. She said changes to this section of the rules are necessary to implement this change. She requested the State Board give emergency approval to this rule.

Dr. Barth moved, seconded by Ms. Saviers, to approve Section 9.13.1 of the Arkansas Department of Education Rules Governing the Arkansas Comprehensive Testing, Assessment and Accountability Program (ACTAAP) and the Academic Distress Program for emergency approval. The motion carried unanimously.

A-8 Consideration for Emergency Adoption: 2016 Open Enrollment Charter School Application

Staff Attorney Ms. Jennifer Davis said the 2016 Open Enrollment Charter School Application included additional prompts suggested by the Charter Authorizing Panel and updates the submission deadline for the 2016 application cycle.

Charter School Director Ms. Alexandra Boyd said the Open Enrollment Charter School Application required information about the students that will be targeted for enrollment.

Dr. Barth moved, seconded by Ms. Reith, to approve the 2016 Open Enrollment Charter School Application for emergency adoption. The motion carried unanimously.

A-9 Consideration for Emergency Adoption: 2016 District Conversion Charter School Application

Staff Attorney Ms. Jennifer Davis said the 2016 District Conversion Charter School Application included additional prompts suggested by the Charter Authorizing Panel and updates the submission deadline for the 2016 application cycle.

Ms. Saviers moved, seconded by Ms. Chambers, to approve the 2016 District Conversion Charter School Application for emergency adoption. The motion carried unanimously.

A-10 Consideration for Emergency Approval: Arkansas Department of Education Rules Governing The Public School Rating System on Annual School Report Cards

General Counsel Ms. Kendra Clay said Arkansas Code Annotated §§ 6-15-2105 and 6-15-2106 require that each public school receive annually a letter grade score of "A" through "F." The law sets forth a default method for grade assignment but further authorizes the State Board of Education to approve an alternate method. The method set forth in these rules was revised by the University of Arkansas Office of Innovation for Education, in consultation with the Arkansas Department of Education. She requested the State Board give emergency approval to these rules.

Commissioner Key said the ADE would provide communication tools to help educators and communities understand the letter grades. He said the ADE would be requesting additional changes during the next legislative session to better bring the accountability measures into alignment and, thus, limiting the confusions felt by the public.

Office of Innovation for Education Director Dr. Denise Airola said in 2014 the A-F school rating components were performance, improvement, graduation rate (if applicable), and achievement gap adjustment. She said the change in assessment and feedback from stakeholders caused the rating components to need revision. She said the 2015 A-F school rating components are performance (adjusted for five PARCC performance levels), improvement (growth model), graduation rate, achievement gap adjustment (updated cut points), and added challenge points. Dr. Airola said this calculation took out much of the bias toward schools with students qho may be more challenging to educate. She also said that only students qho were enrolled October 1 continuously through testing are included in the accountability measures.

Assistant Commissioner of Public School Accountability Ms. Annette Barnes said the total challenge points added could assist a school but would not pad or hide the school's grade.

Commissioner Key said schools and communities should consider this letter grade as one measurement. He encouraged the schools and parents to have additional conversations about what the letter grades mean and the work that needs to be done to improve.

Ms. Dean moved, seconded by Ms. Zook, to approve the Arkansas Department of Education Rules Governing The Public School Rating System on Annual School Report Cards for emergency approval. The motion carried unanimously.

Reports

Report-1 Chair's Report

Dr. Barth said the National Association of State Boards of Education (NASBE) was sponsoring a meeting on the Every Student Succeeds Act (ESSA) at the end of the month. He said he would bring a report back to the Board.

Ms. Reith said she would apply for a NASBE grant to study career readiness. She said the proposal is due February 12.

Ms. Reith attended the National Skills Coalition Meeting. She said Arkansas was seeking public comment through March 10 for the Workforce Innovation and Opportunity Act (WIOA) State Plan. The plan is available at http://www.arkansas.gov/esd/AWDB/PublicNotice.htm.

Ms. Newton said the Winthrop Rockefeller Foundation has launched the Expect More campaign. More information is available at http://www.wrfoundation.org.

Report-2 Commissioner's Report

Commissioner Johnny Key said the public school budget hearing would be held in the Big Mac Building, One Capitol Mall, Room A on March 9, 2016.

Commissioner Key said the Special Education Committee was working to reduce paperwork.

Commissioner Key introduced the fifth video in the Innovation in Arkansas Education series. Flippin High School and students are the focus of the video, available at http://www.arkansased.gov/divisions/learning-services.

Report-3 Appointments to Nominating Committee

Pursuant to the State Board of Education Operating Procedures, on or before March of each year, the Chair shall appoint a Nominating Committee to secure

nominations for Chair and Vice Chair for the upcoming year. The Committee shall consist of three (3) Board Members, who have served at least two years on the Board. The Committee will report to the Board at its May meeting, and the election shall take place by voice vote at the June meeting. Chair Newton appointed Ms. Saviers, Ms. Zook, and Mr. Black to serve on the nominating committee.

Report-4 2015 Arkansas Teacher of the Year Report

2015 Arkansas Teacher of the Year Ms. Ouida Newton said her blog was focused on disciplinary literacy. She said content teachers are asked to include activities within their lessons that assist their students in how to read and write like a mathematician, scientist, or historian. The blog is available at http://arkansased.edublogs.org.

Ms. Newton attended a panel discussion at the Arkansas Leadership Academy hosted by the Impact Institute.

Report-5 Concordance Methodology for Academic Distress Determinations 2015

Assistant Commissioner for Public School Accountability Ms. Annette Barnes said the ADE received a pause or reprieve from federal accountability for 2014-2015 but no relief from state accountability. She said the Accountability Technical Advisory Committee (TAC) recommended a concordance methodology be utilized for academic distress determinations for 2015. She said the TAC was comprised of experts and practitioners in statistics, assessment and accountability.

Office of Innovation for Education Director Dr. Denise Airola recognized Dr. Feng Jiang, Research Associate, for his work on the concordance calculations.

Dr. Airola said there is a precedent for using a concordance methodology as concordance has been used before for K-2 transition among norm-referenced tests and establishing students' need for intervention and remediation in math and reading. She explained that the major steps in establishing the concordant scores are 1.) selecting stable schools for each grade/test based on 2012 to 2014 student achievement on the ACTAAP test; 2.) for Grades 3 through 8, Algebra I End of Course and Geometry End of Course calculate propensity score weights using students level covariates (based on the characteristics of students in 2014) to condition the student distribution in the 2015 stable school sample; and use equal percentile to calculate 2015 PARCC cut score with propensity score weights; and 3.) for Grade 9 and Grad 10 English Language Arts, calculate 2015 PARCC cut scores based on vertical moderation.

Dr. Airola said propensity score weighing was used to establish statistical equivalence on important background characteristics between 2014 ACTAAP and 2015 PARCC concordant student samples; corrects for differences, if any, between these two groups on important characteristics; and was selected so that all students comprising the concordant samples would be included in the determination of the final concordant cut scores. In addition, propensity score matching to establish equivalent groups was run to compare to propensity score weighting with virtually the same results, but propensity score matching excluded students who could not be matched.

Assessment Director Ms. Hope Allen said the ACT Aspire contract included a concordance methodology for next year that would be verified by the Assessment and Accountability Technical Advisory Committee. She said students would be assessed on grade level standards.

Report-6 Learning Services Report

Interim Assistant Commissioner of Learning Services Ms. Stacy Smith said she included a very rough draft of the standards revision for mathematics with the Learning Services Report. The Learning Services report is available at http://edboard.arkansas.gov/ItemAttachments.aspx?itemid=4629&meetingid=275

Report-7 Discipline Report

On August 13, 2015, Office for Education Policy Faculty Director Dr. Gary Ritter and Research Assistant Ms. Kaitlin Anderson provided a State Discipline Report. Act 1329 of 2013 required the ADE to evaluate the impact of school discipline on student achievement and report findings to the State Board of Education and school districts. The State Board requested additional information.

Dr. Ritter presented data to address five questions:

I. What are the disciplinary rates (incidences per 100 students) overall and for various subgroups of students? *Are there any important trends over time?*
II. Do certain students just attend "high-discipline" schools? *What are the school-level disciplinary rates for the "average" student in different subgroups?*
III. Are certain types of infractions (subjective v. objective) more subject to subgroup disparities?
IV. What can we learn about the population of students who are expelled?
V. How does exclusionary discipline relate to student academic performance?

Dr. Ritter said key takeaways from the data are that African-American students are disproportionately represented in in-school suspension and out-of-school suspension rates. He said African-American students are disproportionately represented in expulsion rates and corporal punishment rates.

Commissioner Key said there should be a behavioral component in schools' Response to Intervention Process.

Ms. Anderson recommended changes to state data collection that included expansion of data cells that better differentiate "other."

Adjournment

Dr. Barth moved, seconded by Ms. Saviers, to adjourn. The motion carried unanimously.

The meeting adjourned at 5:40 p.m.

Minutes recorded by Deborah Coffman.

Reports

Report-1 Recognition of AP Scholars

Commissioner Key said two high school students in Arkansas qualified for the College Board's State Advanced Placement (AP) Scholar Award. The State AP Scholar Award is an academic distinction acknowledging students who have earned the most scores of 3 or higher statewide and the highest average score (at least 3.5) on all AP Exams taken. He said the award is presented annually to one male student and one female student from each state. He said today the Board would recognize Mr. Chuang Tang, graduate of the Little Rock Central High School in Little Rock, and Ms. Sherry Gao, graduate of Little Rock Central High School in Little Rock.

Mr. Chuang Tang's parents, Mr. L.E. Tang and Ms. Puteri Sillenneon, accepted the certificate on his behalf. Mr. Tang named many of the educators who had an impact on his son's education. He said Mr. Chuang Tang was attending Yale.

Ms. Sherry Gao's mother, Ms. Li Tong, accepted the certificate on her duaghter's behalf. Ms. Tong thanked the Board. She said Ms. Gao was attending Harvard.

The Board extended congratulations to both students.

Report-2 Recognition of President Scholars

Commissioner Key said the White House Commission on Presidential Scholars selected the 2015 U.S. Presidential Scholars from among a pool of extremely qualified candidates. One young man and one young woman were chosen from each state. The United States Presidential Scholars Program was established in

1964 by Executive Order of the President, to recognize and honor some of the most distinguished graduates. He said today the Board would recognize Mr. Alan B. May, graduate of the Episcopal Collegiate School in Little Rock, and Ms. Erin McShane, graduate of Conway High School West in Conway. Mr. May and Ms. McShane demonstrated accomplishments in the arts, sciences, humanities, and other fields of interest.

Commissioner Key said Mr. Alan May was unable to attend but sent a nice card expressing his appreciation.

Ms. Erin McShane and her mother Ms. Amelia McShane accepted the certificate. Ms. McShane thanked the Board and said it was an honor to represent Arkansas. She is attending the U.S. Naval Academy.

The Board extended congratulations to both students.

Report-3 ForwARd Arkansas Report

Executive Vice President of the Rockefeller Foundation Mr. Cory Anderson said ForwARd Arkansas is a strategic partnership of the Winthrop Rockefeller Foundation, Walton Family Foundation and Arkansas State Board of Education that aims to prepare all Arkansas students for success in college and the workplace. To accomplish its vision, ForwARd has created a holistic guide for P-16 education in Arkansas, with specific recommendations for academically distressed schools and school districts. The recommendations are available at http://www.forwardarkansas.org.

Mr. Anderson said the Implementation Working Group (IWG) was focused on four subgroups: business community, policy, communications, and ForwARd Communities. He said the business community subgroup was planning to convene a workforce development summit in June 2016. He said the policy subgroup was identifying preliminary legislative priorities for the 2017 session. The communications subgroup was planning for a statewide community listening tour. The ForwARd Community subgroup was having conversations with at least eight communities, with a goal of four to five communities identified by the end of 2018. He said a ForwARd Community would include the school district but also community partners.

Mr. Anderson said the ForwARd team was meeting with focus groups to share information about the changes in professional development requirements. The team has been working with ADE to identify code and rules aligned to the recommendations in the Forward Vision. He said the team was working with the Arkansas School Boards Association to identify high performing school boards. He said the team was working with partners to communicate more information about the Community Eligibility Program.

Report-4 Closing the Achievement Gap Commission Report

Commission on Closing the Achievement Gap Interim Chair Dr. Luis Fernando Restrepo said the commission was established pursuant to A.C.A § 6-15-1601 and has eleven appointed members. He said the commission was tasked with developing an annual report for the state. He proposed the development of a strategic plan with achievable goals by 2023.

Report-5 Priority Schools 2nd quarter Progress Reports

School Improvement Specialist Ms. Tiah Frazier reviewed the acronyms commonly used in discussions related to school improvement. She said the School Improvement unit focused on vision development, team structure, database decision-making, researching best practice, and connecting innovations.

School Improvement Specialist Ms. Misty Pittman said the 45-day reports highlight the current reality related to team structure, instructional team activity, school climate, and community engagement. She said the tasks or activities are related to moving the current reality closer to implementation of a school improvement indicator as supported by data.

School Improvement Specialist Dr. Robert Toney said the pyramid of support has been inverted to support the classroom teacher in his/her efforts to impact student achievement. He said there should be two-way communication among teachers, professional learning communities (PLC), school leadership team, and district leadership team. The teams are required to have functioning team structures in order to manage the data and inform decisions about students' needs in a timely manner.

School Improvement Specialist Ms. Janie Hickman said the Indistar tool assisted schools in assessing the needs of the school, creating and revising objectives, and monitoring progress. She said priority schools were directed to consider 18 indicators within four areas. She said schools were provided information about each indicator and a description of full implementation of the indicator.

Director of School Improvement Dr. Richard Wilde said a common challenge at the building level was a compliance mentality toward the school improvement process. He said the district level may be providing only minimal coaching comments to the buildings. Dr. Wilde explained that interim measurable objectives are monitored toward meeting the annual measurable objectives. The annual measurable objectives are the measurements toward the vision of school improvement.

Ms. Frazier said the school improvement unit has focused on assisting schools with the 45-day reports. She said the report addressed the four component areas: change in teacher and leader practice, student achievement data, school safety, and family and community engagement. The quarterly report also includes a report from the building principal.

Dr. Wilde said a school leadership team report was included in the quarterly report. The report examined the progress of students, discipline referrals, and student attendance. The district leadership team report examined teacher attendance and student interventions.

Ms. Pittman said the pre- and post-test data should be guiding core instruction and intervention for students.

Commissioner Key said the agency was working to change the compliance mentality to a data-informed problem solving approach.

Dr. Wilde said the third quarter report would include a more comprehensive review of the district and schools' progress.

Report-6 Quarterly Report on Helena-West Helena School District

Fiscal Services and Support Director Ms. Cindy Smith said the Helena-West Helena School District was classified by the State Board of Education as being in Fiscal Distress on September 30, 2010, and the State assumed authority on June 20, 2011. She said pursuant to Arkansas Code Annotated § 6-13-112, the quarterly status report for the Helena-West Helena School District was submitted for review.

Report-7 Yearly Review of Superintendent - Helena-West Helena School District

Commissioner Key said pursuant to A.C.A. § 6-13-112 (d) a review of the state-appointed superintendent for the Helena-West Helena School District was provided.

Report-8 Quarterly Report on Pulaski County Special School District

Fiscal Services and Support Director Ms. Cindy Smith said the Pulaski County Special School District (PCSSD) was classified by the State Board of Education as being in Fiscal Distress on May 16, 2011, and the State assumed authority on June 20, 2011. She said pursuant to Arkansas Code Annotated § 6-13-112 the

quarterly status report for PCSSD was submitted for review.

Report-9 Yearly Review of Superintendent - Pulaski County Special School District

Commissioner Key said pursuant to A.C.A. § 6-13-112 (d) a review of the state-appointed superintendent for the Pulaski County Special School District was provided.

Report-10 Quarterly Report on Little Rock School District

School Improvement Director Dr. Richard Wilde said the State assumed authority of the Little Rock School District (LRSD) on January 28, 2015. He said pursuant to Arkansas Code Annotated § 6-13-112 the quarterly status report for LRSD was provided.

Adjournment

Mr. Black moved, seconded by Ms. Reith, to adjourn. The motion carried unanimously.

The meeting adjourned at 12:50 p.m.

Minutes recorded by Deborah Coffman.

~~ARKANSAS DEPARTMENT OF EDUCATION~~
~~RULES GOVERNING DISTANCE LEARNING~~
~~March 1, 2012~~

~~1.00 REGULATORY AUTHORITY~~

~~1.01 These rules shall be known as Arkansas Department of Education Rules Governing Distance Learning.~~

~~1.02 These rules are enacted pursuant to the State Board of Education's authority under Ark. Code Ann. §§ 6-16-136; 6-47-201 through 6-47-203; 6-47-301 through 6-47-305; 6-47-401 through 6-47-406; 6-47-501 through 6-47-504; 25-15-201 et seq.; and Act 1075 of 2011.~~

~~2.00 PURPOSE~~

~~It is the purpose of these rules to set reasonable guidelines for the statewide coordination of distance learning, planning and implementation of the Arkansas Distance Learning Development Program, and Arkansas Distance Learning Grants. These rules do not apply to professional development activities.~~

~~3.00 DEFINITIONS~~

~~For the purposes of these rules:~~

~~3.01 "Adult Facilitator" is the person responsible for supervising and assisting the students at the receiving site. The adult facilitator must be an adult approved by the school district.~~

~~3.02 "Asynchronous" is a distance-learning technology where the student is not receiving live or real time instruction from a teacher and typically utilizes the Internet.~~

~~3.03 "Appropriately Licensed or Approved Instructor" is a teacher either licensed to teach the content of the required course in a public school in Arkansas or approved by the Commissioner of the Arkansas Department of Education to teach the content through distance learning technology. The intent of the approval process is to provide flexibility for the approval of teachers of programs originating from outside Arkansas, exceptionally qualified individuals within the state who may not meet licensure requirements, or teachers of courses that do not have an appropriate licensure requirement.~~

MARK-UP

~~3.03.1 For teachers requiring approval by the Commissioner of Education to teach content through distance learning technology, the following procedures shall apply:~~

~~3.03.1.1 Not later than thirty (30) days prior to the date upon which the teacher intends to begin instruction, the superintendent of the public school district or director of the open-enrollment public charter school offering distance learning shall submit to the Commissioner of Education a written request for approval that includes the following information:~~

~~3.03.1.1.1 The name of the teacher and the name of the educational entity with which the teacher is employed;~~

~~3.03.1.1.2 A list of the courses for which the teacher plans to provide instruction;~~

~~3.03.1.1.3 Copies of out-of-state licenses currently possessed by the teacher;~~

~~3.03.1.1.4 Copies of educational transcripts from each institution of higher education attended by the teacher; and~~

~~3.03.1.1.5 A resume or curriculum vitae of the teacher that lists experience in teaching and education.~~

~~3.03.1.2 Within twenty (20) days of receiving the written request, the Commissioner of Education shall, in writing, approve the request, deny the request or request additional information.~~

~~3.03.2 The decision of the Commissioner of Education concerning approval or disapproval of the request shall be final.~~

~~3.04 "Bell schedule" is the daily schedule of classes including the time each class is scheduled to begin and end.~~

~~3.05 "Commissioner" means the Commissioner of Education.~~

~~3.06 "Department" means the Department of Education.~~

~~3.07 "Distance Learning" is an interactive telecommunications system that utilizes information technology, audio, video, and similar technological elements, is compatible with other distance learning networks, and is used for the purpose of enhancing instruction in Arkansas public schools.~~

MARK-UP

3.08 "Distance Learning Course" is a course that is made available by using distance-learning technology.

3.09 "Infrastructure" means an interlinked system of wires, cables, fiber optics, or other wire line or wireless communications media.

3.10 "Primary Instructor" is the appropriately licensed or approved educator responsible for:

3.10.1 Ensuring the course content is aligned with the appropriate Arkansas Curriculum Framework or similar course outline approved by the Department or by the Department of Career Education;

3.10.2 Providing direct instruction as necessary; and

3.10.3 Supervising the administration of student assessments.

3.11 "Receiving Site" is a physical location where one or more students is receiving distance learning.

3.12 "Sending site" is the physical location of a primary instructor providing synchronous direct instruction.

3.13 "State Board" means the State Board of Education.

3.14 "Supplemental Instruction" is instruction used to reinforce or enrich a course or to provide the student an educational opportunity outside of the normal course structure.

3.15 "Synchronous" is a distance learning technology where the student is receiving live or real-time instruction from a teacher and typically utilizes compressed interactive video.

4.00 PURPOSE AND INTENT OF DISTANCE LEARNING IN ARKANSAS

4.01 The Arkansas General Assembly found that:

4.01.1 Arkansas public schools face a serious shortage of teachers;

4.01.2 Educational technology can help lift the burden of teacher shortages by making distance learning available across the state; and

4.01.3 Distance learning should be available to every Arkansas student who wishes to participate.

MARK-UP

4.02 The intent of the Arkansas General Assembly is that the planning and implementation of distance learning should create opportunities for innovation in education, transform institutional behavior, and prepare students for participation in the information age economy.

4.03 The purpose of the General Assembly with regard to distance learning is:

4.03.1 To provide for the establishment, organization, and administration of a distance learning program designed to improve course offerings available to students throughout the state; and

4.03.2 Demonstrate the efficiency of using distance learning to enhance elementary and secondary education and prepare students for greater success in a postsecondary educational environment.

4.04 The purpose of the General Assembly with regard to distance learning grants is:

4.04.1 To make available distance learning in every school district in the state; and

4.04.2 Assist school districts in receiving advanced high school courses, advanced placement courses, enriched course content, or other academic courses not otherwise available in the school district.

5.00 DEPARTMENT OF EDUCATION COORDINATION AND REPORTING

5.01 The Department shall work with the Arkansas School for Mathematics, Sciences, and the Arts, the Arkansas Educational Television Commission, the educational service cooperatives, and other state agencies involved in distance learning in implementing distance learning.

5.02 The Department shall work together with the Department of Higher Education to implement distance learning throughout the state.

6.00 DISTANCE LEARNING COORDINATING COUNCIL

6.01 The purpose of the Distance Learning Coordinating Council is to evaluate distance learning activities for kindergarten through grade twelve (K-12) education across the State of Arkansas and to determine whether distance learning activities are being fully utilized through a collaborative process that maximizes the utilization of the state's technical and educational resources.

6.02 The Distance Learning Coordinating Council consists of the following members:

MARK-UP

~~6.02.1 One (1) member who is an employee of the Department appointed by the Commissioner;~~

~~6.02.2 One (1) member who is an employee of the Arkansas Educational Television Network appointed by the Director of the Educational Television Division of the Department of Education;~~

~~6.02.3 One (1) member who is an employee of the Arkansas School for Mathematics, Sciences and the Arts appointed by the Director of the Arkansas School for Mathematics, Sciences, and the Arts;~~

~~6.02.4 One (1) member who is an employee of the Office of Information Technology appointed by the Office of Information Technology or its successor agency;~~

~~6.02.5 One (1) member who is an employee of the Department of Information Services appointed by the Director of the Department of Information Services;~~

~~6.02.6 One (1) member who is an employee of the Arkansas Science and Technology Authority appointed by the President of the Arkansas Science and Technology Authority;~~

~~6.02.7 One (1) member who is an employee of the Department of Career Education appointed by the Director of the Department of Career Education;~~

~~6.02.8 One (1) member who is employed by the Department of Higher Education appointed by the Director of the Department of Higher Education;~~

~~6.02.9 One (1) member who is an employee of the Arkansas State Library appointed by the State Librarian;~~

~~6.02.10 One (1) member who is an employee of an education service cooperative appointed by the Governor from a list of three (3) names submitted by the State Board;~~

~~6.02.11 One (1) member who is actively engaged in distance learning activities for grades kindergarten through twelve (K-12) education appointed by the Governor from the state at large;~~

~~6.02.12 Two (2) members who are employed by telecommunications companies that are members of the Arkansas Telecommunications~~

MARK-UP

Association and appointed as follows:

6.02.12.1 One (1) member shall be employed by a telecommunications company with more than seventy-five thousand (75,000) access lines and shall be appointed by the Governor from a list of three (3) names submitted by the association; and

6.02.12.2 One (1) member shall be employed by a telecommunications company with less than seventy-five thousand (75.000) access lines and shall be appointed by the Governor from a list of three (3) names submitted by the association; and

6.02.13 Members added by the Commissioner to the Distance Learning Coordinating Council to represent other entities that are associated with grades kindergarten through twelve (K-12) distance learning and that come into existence after September 1, 2005.

6.03 Members shall serve three-year terms and are eligible for reappointment.

6.03.1 If a vacancy occurs in an appointed position for any reason, the vacancy shall be filled in the same manner as the original appointment.

6.03.2 The members of the Distance Learning Coordinating Council shall meet and organize immediately after their appointment and shall elect a chair, a vice-chair, and a secretary-treasurer from the membership of the Distance Learning Coordinating Council.

6.03.3 The Distance Learning Coordinating Council shall meet at least quarterly.

6.03.4 Staff support shall be provided by appropriate personnel from the Department of Education, the Department of Career Education, the Department of Higher Education, the Division of Public School Academic Facilities and Transportation, the Division of Public School Accountability, and the state's public institutions of higher education with the assistance of any appropriate staff of the other agencies whose directors serve on the Distance Learning Coordinating Council.

6.03.5 Non-state employee members shall serve without compensation but may receive expense reimbursement in accordance with Ark. Code Ann. § 25-16-902.

6.04 The Distance Learning Coordinating Council shall make recommendations at least annually to the Department of Education, the Division of Public School Academic Facilities and Transportation, the Division of Public School Accountability, the

MARK-UP

House Committee on Education, and the Senate Committee on Education with regard to the following:

6.04.1 Distance learning standards and rules;

6.04.2 Online distance learning curriculum;

6.04.3 Supplemental distance learning course material;

6.04.4 Coordination of distance learning services;

6.04.5 Methods for fostering collaborative processes by which distance learning content can be shared more effectively with and delivered to public schools;

6.04.6 Strategies for reducing the occurrences of isolated distance learning activities;

6.04.7 Options for spreading distance learning costs and increasing the value of shared distance learning services; and

6.04.8 Improving utilization of distance learning resources.

7.00 REQUIREMENTS FOR THE ADMINISTRATION OF DISTANCE LEARNING IN ELEMENTARY AND SECONDARY SCHOOLS

7.01 An elementary or secondary school may offer instruction through distance learning provided by any provider approved by the Department or by the Department of Career Education.

7.02 Courses offered through distance learning shall include, without limitation:

7.02.1 College preparatory courses, including, without limitation, calculus, physics, Arkansas history, foreign languages, and computer science; and

7.02.2 Technological courses, including, without limitation, advanced math and science courses, advanced computer skills courses, and advanced courses in the arts.

7.03 Any distance learning course must be approved by the Department or by the Department of Career Education before the course is offered or taught by any public school district or open-enrollment public charter school unless:

7.03.1 The distance learning course content is aligned with the appropriate content standards and curriculum frameworks developed and approved by the State Board of Education or Department of Career Education; or

MARK-UP

~~7.03.2 The course is not offered for credit.~~

~~7.04 All distance learning courses shall have an appropriately licensed or approved primary instructor.~~

~~7.05 Each receiving site shall have an adult facilitator to:~~

~~7.05.1 Supervise any instructional activity where students meet as a group; and~~

~~7.05.2 Administer all student achievement assessments used to determine a student's final grade.~~

~~7.06 Student achievement assessments shall be designed to assess the degree to which a student masters the approved content standards and curriculum framework for the distance learning course.~~

~~7.06.1 Documentation of student achievement assessments shall be maintained at the receiving site for a minimum of five (5) years after the final grade for the student has been issued. Documentation shall include the assessment questions, student responses, and the grade for each student assessment and grading period.~~

~~7.06.2 Student achievement assessment documentation shall be available for review by the Department to ensure compliance with the approved content standards and curriculum framework.~~

~~7.07 Distance learning that is purely supplemental instruction shall be considered an enhancement to the teacher's regular instruction and shall not be subject to the restrictive provisions of these rules.~~

~~7.08 The combined number of students at the receiving and sending site(s) shall determine class size for synchronous distance learning.~~

~~7.09 Class size for synchronous distance learning courses shall be the same as for courses not taught by distance learning as specified in the Arkansas Standards for Accreditation. Class size requirements do not apply to asynchronous distance learning instruction.~~

~~7.10 Student interaction with the primary instructor or an appropriately licensed teacher(s) shall be available at a ratio of not more than 30 students per class and 150 students each day for both synchronous and asynchronous courses.~~

~~7.11 These rules provide minimum distance learning educational supervision requirements only and are not designed to replace legal or other student supervision responsibilities schools have to properly protect and supervise students.~~

MARK-UP

7.12 In order to assist school districts in scheduling distance learning courses, make distance learning available to every Arkansas student, and coordinate distance learning calendars of distance learning course providers, the Department shall on an annual basis work with public school districts, open-enrollment public charter schools, and distance learning providers to determine the best possible distance learning calendar(s) to meet the distance learning scheduling needs of school districts.

7.13 Any public school district or open-enrollment public charter school offering synchronous distance learning courses shall:

7.13.1 Adopt a calendar and bell schedule that is consistent with the distance learning course provider's schedule and that permits students to optimally participate in synchronous distance learning and local courses;

7.13.2 Adopt a calendar that permits students to take both synchronous distance learning courses and local school courses;

7.13.3 Align its calendar and the calendar of any synchronous distance learning courses in such a way that students taking synchronous distance learning courses are able to participate in the courses without missing more than five (5) days; and

7.13.4 Abide by the policy adopted by the synchronous distance learning course provider for making up any missed days.

8.00 ARKANSAS DISTANCE LEARNING DEVELOPMENT PROGRAM

8.01 The Arkansas Distance Learning Development Program shall be conducted by the Department and administered through the Commissioner.

8.02 The Arkansas Distance Learning Program shall have four (4) focus areas:

8.02.1 To help alleviate the increasing shortage of available qualified teachers;

8.02.2 To provide additional course-scheduling opportunities for students currently forced to choose between courses that are scheduled infrequently or concurrently;

8.02.3 To provide an opportunity for students to access an enriched curriculum and additional courses beyond those mandated by the Standards for Accreditation of Arkansas Public Schools and School Districts; and

8.02.4 To develop and make available online professional development and instructional resources for all teachers and administrators.

MARK-UP

8.03 The funding necessary to carry out the provisions of this section may be derived from donations, grants or legislative appropriation.

8.03.1 The Commissioner may solicit and receive donations and grants for the purpose of administering the Arkansas Distance Learning Program.

8.03.2 All donations, grants, and appropriations received shall be accounted for by the Department.

8.03.3 Fund balances may be carried over from one year to the next to continue the Arkansas Distance Learning Program.

8.04 The Commissioner shall review the implementation of the Arkansas Distance Learning Program annually and make recommendations to the State Board regarding the number and amount of awards to ensure that the purpose of the Arkansas Distance Learning Program is achieved.

8.05 The Commissioner may enter into contracts or provide grants to local education agencies, education service cooperatives, or other entities for personnel, facilities, and services necessary to implement the Arkansas Distance Learning Program.

8.06 Students taking courses through the Arkansas Distance Learning Program shall be considered entitled to any public education credits and grades assigned through the Arkansas Distance Learning Program and those credits shall be accepted by all public schools in the State of Arkansas.

9.00 PARTICIPATION IN DISTANCE LEARNING COURSES BY HOME-SCHOOL AND PRIVATE-SCHOOL STUDENTS

9.01 Except as provided in Section 9.02 of these rules, a public school district or open- enrollment public charter school may offer and teach distance learning courses to a student enrolled in a private school or a home school only if:

9.01.1 The student resides in the public school district where the public school or open-enrollment public charter school is located;

9.01.2 The student agrees to physically attend the public school or open-enrollment public charter school for the purposes of taking:

9.01.2.1 A distance learning course taught through the public school or open-enrollment public charter school; and

9.01.2.2 State tests and assessments required for the particular course

MARK-UP

~~or courses taken by the student;~~

~~9.01.3 The distance learning course is offered for credit; and~~

~~9.01.4 The distance learning course is approved by the Department, or is aligned with the appropriate content standards and curriculum frameworks developed and approved by the State Board of Education or Department of Career Education.~~

~~9.02 The Commissioner may waive the requirements of 9.01.1 and 9.01.2 on an individual basis for a student who is unable to attend due to conditions that prevent the child from physically attending a public school or an open-enrollment public charter school.~~

~~9.02.1 A parent or guardian, or a student if the student is over eighteen (18) years of age, may request such a waiver in writing to the Commissioner no later than thirty (30) days prior to the beginning of the semester in which the student intends to enroll in a distance learning course(s). The parent shall simultaneously send a copy of the request to the superintendent of the public school district or director of the open-enrollment public charter school in which the student intends to enroll in a distance learning course(s).~~

~~9.02.2 The request must clearly set forth and document the conditions that prevent the child from physically attending the public school or open-enrollment public charter school for the purposes of enrolling in a distance learning course(s).~~

~~9.03 A public school district or open-enrollment public charter school that teaches or offers a distance learning course to one (1) or more home-schooled or private school students who meet the conditions of 9.01 or 9.02 shall be entitled to an amount equal to one-sixth (1/6) of the state foundation funding amount for each course taught to a private school student or home-schooled student.~~

~~9.04 However, under no circumstances shall a public school district or open-enrollment public charter school be entitled to more than the equivalent of state foundation funding for one (1) average daily membership per student regardless of the number of distance learning courses received by a particular home-schooled or private school student.~~

~~9.05 A home-schooled student or a private school student enrolled in a distance learning course shall not be entitled to any rights, privileges, courses, activities, or services available to a public school student or open-enrollment public charter school student other than receiving appropriate credit for a completed distance learning course.~~

~~9.06 These rules shall not be construed to entitle a home-schooled student or private school student to participate in, enroll in, or attend any other courses, activities, or~~

MARK-UP

services provided by a public school district or an open-enrollment public charter school.

9.07 No public school district or open-enrollment public charter school shall establish or provide a virtual school or distance learning course to home-schooled or private school students except as allowed by this section and by Ark. Code Ann. § 6-47-406.

9.08 This section shall not be construed to require a home-schooled student or private school student to take any test or assessment not specifically required for completion of the course for which the student is enrolled.

10.00 DISTANCE LEARNING GRANTS

10.01 The following grant standards are hereby developed to provide grants to education service cooperatives for acquiring equipment and receiving telecommunications services necessary for each school district to have distance learning availability.

10.02 The grants shall be used to assist school districts that do not have distance learning capabilities and to assist school districts in upgrading existing distance learning capabilities.

10.03 The grants shall also be used by the education service cooperatives to provide technical assistance to the school districts in implementing and maintaining distance learning as an educational tool.

10.04 Each school district shall have adequate connectivity to provide quality of service for distance learning.

10.05 Distance learning technical protocols shall be in alignment with technical standards set by the Director of the Department of Information Systems.

10.06 Education service cooperatives and school districts shall coordinate with the Department to seek to obtain the benefits of the Federal Communications Commission's E-Rate discount program.

10.07 In order to assist school districts needing to receive advanced high school courses, advanced placement courses, enriched course content, or other academic courses not otherwise available in the school district, there is hereby established grant need focus areas for education cooperatives to assist school districts in obtaining and updating distance learning capabilities. The grants shall be designed to address the following needs:

10.07.1 Acquiring equipment and software necessary to implement distance learning;

MARK-UP

10.07.2 Upgrading existing equipment and software for more efficient operation of distance learning;

10.07.3 Providing adequate connectivity for distance learning;

10.07.4 Providing for telecommunication services for distance learning;

10.07.5 Providing technical support for distance learning; and

10.07.6 Providing professional development and sharing of information on resources available for the utilization of distance learning.

10.08 Grant funds will only be distributed to an education cooperatives or distance learning consortium that submits a grant proposal in which the school districts participating and/or the distance learning consortium meets the following standards:

10.08.1 Address one or more of the established grant need focus areas;

10.08.2 Have technical protocols in alignment with standards established by the Director of the Department of Information Systems;

10.08.3 Coordinate with the Department to seek the Federal Communication Commission's E-Rate discounts; and

10.08.4 Collaborate to share course content.

10.09 The Department shall oversee the efficient operation and use of the system pursuant to law. In order to comply with the Department's oversight responsibilities, the Department shall require submission and approval of grant proposals by the education cooperative or distance learning consortium prior to distribution of funds. The Division of Research and Technology of the Department shall design the proposal format and approve the proposals for funding.

10.10 The grant proposals shall include the amount of funds requested by each focus area and an implementation plan supporting the purpose, need and standards contained in these rules. The superintendent and /or the education cooperative director of each participating school district shall approve the proposal submitted to the Department. The plan contained in the proposal shall be consistent with Arkansas Code and existing Arkansas Department of Education rules regarding distance learning. Proposals will be reviewed for approval as submitted.

11.00 DISTANCE LEARNING CONSORTIUMS

School districts shall form collaborative efforts with other schools and/or education service cooperatives that share common educational needs in order to ensure that the state maximizes distance learning services by distributing shared course content.

MARK-UP

~~12.00 EFFECT OF DISTANCE LEARNING PROGRAMS ON TEACHERS~~

~~A teacher that is under contract in a school district in the respective field of study that is being offered by distance learning shall not be terminated by the school district because of the availability of distance learning courses.~~

~~13.00 OPEN-ENROLLMENT VIRTUAL CHARTER SCHOOL FUNDING RESTRICTIONS~~

~~13.01 In accordance with Section 21 of Act 1075 of 2011, no school district shall receive state funding for the 2011-2012 school year for those students who are included in the district's average daily membership for the previous school year but who are attending any open-enrollment charter school that uses internet, long-distance, or virtual technology as the primary method of teaching.~~

~~13.02 The provisions of this section shall be in effect only from July 1, 2011 through June 30, 2012.~~

ARKANSAS DEPARTMENT OF EDUCATION AND ARKANSAS STATE BOARD OF NURSING RULES GOVERNING THE ADMINISTRATION OF INSULIN AND GLUCAGON TO ARKANSAS PUBLIC SCHOOL STUDENTS ~~SUFFERING FROM~~ DIAGNOSED WITH DIABETES

~~February 2014~~

1.00 REGULATORY AUTHORITY

1.01 These rules shall be known as the Arkansas Department of Education and Arkansas State Board of Nursing Rules Governing the Administration of Insulin and Glucagon to Arkansas Public School Students ~~Suffering from~~ Diagnosed With Diabetes.

1.02 These rules are enacted pursuant to the Arkansas State Board of Education's authority under Ark. Code Ann. §§ 6-11-105, 6-18-711, 17-87-103 and 25-15-201 et seq.

1.03 These rules are enacted pursuant to the Arkansas State Board of Nursing's authority under Ark. Code Ann. §§6-18-711, 17-87-203, 17-87-103 and 25-15-201 et seq.

2.00 PURPOSE

2.01 The purpose of these rules is to set forth protocols and procedures for the administration of insulin and glucagon by trained volunteer school personnel to Arkansas public school students ~~who suffer from~~ diagnosed with diabetes.

3.00 DEFINITIONS

3.01 "Diabetes" – ~~a medical condition diagnosed by a licensed healthcare practitioner in which blood glucose levels are above normal~~ a group of metabolic disorders characterized by hyperglycemia resulting from defects in insulin secretion, insulin action, or both.

3.02 "Emergency Situation" – circumstance in which students with low blood glucose cannot be treated with a glucose-containing substance by mouth because the student ~~is unconscious~~ has an altered mental status, ~~or~~ is having a seizure or has high blood glucose requiring emergency administration of insulin to prevent complications.

MARK-UP

3.03 "Glucagon" – an injectable hormone prescribed by a licensed healthcare practitioner that ~~raises the level~~ stimulates the release of glucose in the blood. Glucagon is dispensed as a "Glucagon Emergency Kit" or a "Glucagon Emergency Kit for Low Blood Sugar."

3.04 "Insulin" – a hormone that regulates the metabolism of glucose and other nutrients. It is generally given by injection or through a subcutaneous insulin delivery system. It is prescribed by a licensed healthcare practitioner, e.g. Medical Doctor, Doctor of Osteopathy, Advanced Practice Registered Nurse with prescriptive authority, or a Registered Nurse Practitioner or Physician Assistant who works under physician-approved protocols.

3.0~~4~~5 "Licensed Healthcare Practitioner" – includes, but is not limited to, Medical Doctors, Doctor of Osteopathy, Advanced Practice Registered Nurse with prescriptive authority, and~~,~~ Registered Nurse Practitioners, or Physician Assistants ~~with prescriptive authority or~~ who work under physician-approved protocols.

3.0~~5~~6 "Licensed School Nurse Employed by a School District" – those nurses employed by an Arkansas public school district or open-enrollment public charter school who hold the following licenses or certificate:

3.0~~5~~6.1 Registered Nurse (RN);

3.0~~5~~6.2 Advanced Practice Registered Nurse (APRN); or

3.0~~5~~6.3 ~~Diabetic~~ Diabetes Nurse Educator~~s~~.

3.0~~5~~6.4 This definition does not include License Practical Nurses (LPNs). LPNs may assist in the provision of training under these rules. However, training under these rules must be performed by Registered Nurses, Advance Practice Registered Nurses or ~~Diabetic~~ Diabetes Nurse Educators.

3.07 "Non-scheduled dose of insulin" – an additional dose of insulin to treat hyperglycemia or to cover a rise in blood glucose levels.

3.0~~6~~8 "Other Healthcare Professional" – includes the following:

3.0~~6~~8.1 Registered Nurse (RN);

MARK-UP

3.0~~6~~8.2 Advanced Practice Registered Nurse (APRN);

3.0~~6~~8.3 ~~Diabetic~~ Diabetes Nurse Educator~~s~~;

3.0~~6~~8.4 Medical Doctor~~s~~ (MD);

3.0~~6~~8.5 Registered Nurse Practitioner~~s~~;

3.0~~6~~8.6 Doctor~~s~~ of Osteopathy; ~~and~~

3.0~~6~~8.7 Physician Assistant~~s.;~~

3.08.8 Pharmacist; and

3.08.9 Certified Diabetes Educator.

3.09 "Scheduled dose of insulin" – a dose of insulin administered at regular times during the school day.

3.~~07~~10 "Trained Volunteer School Personnel" – Licensed or classified personnel employed by an Arkansas public school district or open-enrollment public charter school who volunteer and successfully complete training for the administration of insulin and/or glucagon to students ~~suffering from~~ diagnosed with diabetes.

4.00 GENERAL REQUIREMENTS

4.01 Upon written request of a parent or guardian of a student with diabetes and written authorization by the treating physician of the student, a student, in the classroom, in a designated area at the school, on school grounds, or at a school-related activity may:

4.01.1 Perform blood glucose checks;

4.01.2 Administer insulin through the insulin delivery system the student uses;

4.01.3 Treat hypoglycemia and hyperglycemia; and

4.01.4 Possess on his or her person the necessary supplies and equipment to perform diabetes monitoring and treatment functions.

MARK-UP

4.02 A student shall have access to a private area to perform diabetes monitoring and treatment functions upon request of the parent or guardian of a student, as outlined in the student's health plan.

4.03 A school district shall strive to achieve the following staffing ratios for students with diabetes at each public school of at least:

4.03.1 One (1) care provider (volunteer school personnel) for a public school with one (1) full-time licensed registered nurse; and

4.03.2 Three (3) care providers (volunteer school personnel) for a public school without one (1) full-time licensed registered nurse.

4.04 The school district may recruit and identify public school personnel to serve as care providers (volunteer school personnel) to administer insulin and/or glucagon when a licensed registered nurse is not available. A school district shall not require or pressure a parent or guardian of a student with diabetes to provide diabetes care at school or a school-related activity.

4.0~~1~~5 Trained volunteer school personnel designated as care providers in a ~~plan developed under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq., as it existed on July 1, 2013,~~ health plan that covers diabetes management and is based on the orders of a treating physician and who have been trained by a licensed registered nurse employed by a school district or other healthcare professional, may~~, in emergency situations,~~ administer insulin and/or glucagon to students ~~who suffer from~~ diagnosed with diabetes.

4.0~~2~~6 The training listed in Sections 4.0~~1~~5 and 6.00 of these rules shall be conducted at least annually, regardless of whether a volunteer has previously completed training. Nothing in these rules prohibits training from being conducted more often than annually.

4.0~~3~~7 No trained volunteer school personnel designated as care providers pursuant to these rules may administer insulin and/or glucagon to a student ~~who suffers from~~ diagnosed with diabetes unless the parent or guardian of the student first signs a written authorization allowing the administration of insulin and/or glucagon to the student ~~by a trained volunteer school personnel designated as a care provider~~. The trained volunteer school personnel designated as a care provider shall be incorporated into the health plan of a student.

MARK-UP

4.08 The trained volunteer shall be released from other duties during a scheduled dose of insulin for the time designated in the student's health plan.

4.09 During glucagon or non-scheduled insulin administration, other qualified staff shall assume the regular duties of the trained volunteer. Once other qualified staff have relieved the trained volunteers from his/her regular duties, the trained volunteer shall remain released until a parent, guardian, or medical personnel has arrived.

4.~~04~~10 When a school nurse is available and on site during an emergency situation, the school nurse shall administer insulin and/or glucagon to the student, when necessary. Volunteer school personnel who are designated as care providers and trained to administer insulin and/or glucagon shall provide insulin and/or glucagon injections only in the absence or unavailability of a school nurse.

4.~~05~~11 The training outlined in these rules is intended to be provided to volunteer school personnel. No school personnel shall be required, pressured or otherwise subjected to duress in such a manner as to compel their participation in training. Prior to receiving training, volunteers must sign a written acknowledgement indicating their desire to volunteer.

5.00 PROTECTION FROM LIABILITY

A school district, school district employee, or an agent of a school district, including a healthcare professional who trained volunteer school personnel designated as care providers and care providers, shall not be liable for any damages resulting from his or her actions or inactions under these rules or under Ark. Code Ann. § 17-87-103.

6.00 TRAINING OF VOLUNTEERS

6.01 Training under these rules shall include, at a minimum, the following components:

6.01.1 Overview of diabetes;

6.01.2 Blood glucose monitoring;

6.01.~~1~~3What insulin and glucagon ~~is~~ are and how insulin and glucagon work~~s~~;

6.01.~~2~~4When, how and by whom insulin and/or glucagon may be prescribed;

MARK-UP

6.01.~~3~~5 The requirements of Arkansas law pertaining to the administration of insulin and/or glucagon injections to Arkansas public school students ~~suffering from~~ diagnosed with diabetes;

6.01.6 How to calculate carbohydrate intake (insulin training only);

6.01.7 How to calculate appropriate insulin dosage based on carbohydrate intake (insulin training only);

6.01.~~4~~8 When insulin and/or glucagon should be administered, how insulin and/or glucagon should be prepared, the dosage and side effects of insulin and/or glucagon, and follow-up care after insulin and/or glucagon is administered;

6.01.~~5~~9 How insulin and/or glucagon should be stored, including identifying the expiration date and need for replacement;

6.01.~~6~~10 The role of the school nurse in the administration of insulin and/or glucagon and the delegation of the administration of glucagon; and

6.01.~~7~~11 The signs of hypoglycemia in students with diabetes, including techniques and practices used to prevent the need for emergency insulin and glucagon.

6.02 Visual and audio aids may be used during the training required under these rules, but at least one individual listed in Sections 3.0~~5~~6 and 3.0~~6~~8 of these rules must be physically present to provide the training.

6.03 Before a volunteer may be deemed to have successfully completed the training required under these rules, a person listed in Sections 3.0~~5~~6 and 3.0~~6~~8 must sign a certification indicating that the volunteer has successfully completed all aspects of training and that the volunteer has successfully demonstrated ~~mastery~~ proficiency of procedures involving the administration of insulin and/or glucagon. No person listed in Sections 3.0~~5~~6 and 3.0~~6~~8 shall sign such a certification unless such person, in his or her professional judgment, believes that a volunteer has successfully completed all aspects of training and that the volunteer has successfully demonstrated mastery of procedures involving the administration of insulin and/or glucagon.

MARK-UP

6.04 The Arkansas State Board of Nursing and the Arkansas Department of Education, in collaboration with the Arkansas School Nurses Association and diabetic education experts, shall identify and approve education programs that meet the requirements of Section 6.01 of these rules. Training under these rules shall be given according to the education programs approved under this section.

6.04.1 The Arkansas State Board of Nursing and the Arkansas Department of Education shall maintain and publish a list of approved education programs that meet the requirements of Section 6.01 of these rules. The list of approved education programs may be published on the websites of the Arkansas State Board of Nursing and the Arkansas Department of Education.

6.04.2 The Arkansas State Board of Nursing and the Arkansas Department of Education, in collaboration with the Arkansas School Nurses Association and diabetic education experts, shall at least annually review the requirements associated with the administration of glucagon and shall, if necessary, recommend for adoption by the Arkansas State Board of Nursing and the Arkansas State Board of Education any revisions to these rules.

7.00 RECORDS

7.01 Records of volunteer training shall be kept on file at each school.

7.02 For each student diagnosed with diabetes who attends the school, the school district shall maintain a copy of the health plan ~~developed under Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 701 et seq., as it existed on July 1, 2013~~, a list of volunteer school personnel who are designated as care providers and trained to administer insulin and/or glucagon, and a copy of the parent's or guardian's signed authorization. The list of volunteer school personnel who are designated as care providers and trained to administer insulin and/or glucagon and a copy of the parent's or guardian's signed authorization shall ~~also~~ be updated yearly and attached to the student's Individualized Health Plan (IHP).

7.03 The list of volunteer school personnel who are designated as care providers and trained to administer insulin and/or glucagon shall only include the names of such personnel who successfully complete the required training as set forth in Section 6.00 of these rules. The list of volunteer school personnel trained to administer

MARK-UP

insulin and/or glucagon for each school should be published and made known to all school personnel.

7.04 The principal of each school, in conjunction with each school nurse, shall properly maintain all such records.

The Honorable Asa Hutchinson
Governor of Arkansas
Little Rock, Arkansas
and
Members of the Arkansas General Assembly

Dear Governor Hutchinson and Members of the Arkansas General Assembly:

In compliance with the provisions of A.C.A. §§ 6-20-2201 et seq., the Annual Statistical Report of the Public Schools of Arkansas, Public Charter Schools, and Education Service Cooperatives, 2014-2015 Actual and 2015-2016 Budgeted, (ASR) is hereby submitted. The Rankings of Selected Items of the Public Schools of Arkansas, 2014-2015 Actual, (Rankings) are also included.

The appendix in the ASR includes Arkansas Public School Computer Network (APSCN) coding specifications for each line item in the report.

The information contained in the report was obtained from the Annual Financial Report (2014-2015 actual) submitted in Cycle 9, due August 31, 2015 and Budget (2015-2016 budgeted) submitted in Cycle 1, due September 30, 2015. The information contained in this report has not been audited.

The school districts are listed according to Local Education Agency (LEA) number in the Rankings report, and are ranked from highest to lowest on the following data:

1. **Per Pupil Expenditures**
   Net current expenditures divided by the four-quarter Average Daily Attendance (ADA). Arkansas uses the three-quarter Average Daily Membership (ADM) for funding and other analytical purposes. Users of this information should be aware of this difference.

2. **Average Daily Attendance (ADA)**
   The annual average of the total days of attendance divided by the number of days taught. It includes students who attend school outside the district on a tuition agreement between the respective districts. This report uses the four-quarter average ADA for FY 2014-2015.

3. **Average Daily Membership (ADM)**
   The annual average (four-quarter) of the total days of attendance and absence divided by the number of days taught in 2014-2015. It includes students who attend school outside the district on a tuition agreement between the respective districts. The prior year's average for the first three (3) quarters is used for State funding purposes.

4. **K-12 Licensed Full-Time Equivalent (FTE)**
   The FTE of K-12 licensed personnel employed by the district as K-12 classroom teachers, librarians, counselors, psychologists, and other K-12 licensed, non-administrative employees who are paid from the Teacher Salary Fund. Licensed employees paid from federal funds are not included.

5. **Average Salary of K-12 Licensed FTE**
   The total salaries of all K-12 Licensed FTEs, divided by the number of K12 Licensed FTEs. Benefits paid by the districts such as teacher retirement, FICA/Med, and state mandated insurance payments are not included.

6. **Licensed FTE**
   The number of all licensed personnel including administrative FTEs, K-12 Classroom FTEs, and other non-administrative personnel employed by the district who are paid from the Teacher Salary Fund. Adult education employees and licensed employees paid from federal funds are not included.

7. **Average Salary of Licensed FTE**
   The total salaries of all Licensed FTEs divided by the number of Licensed FTEs. Benefits paid by the districts such as teacher retirement, FICA/Med, and state mandated insurance payments are not included.

Annual Statistical Report
2014-2015
Report Definitions

1. **Area in Square Miles.** The number of square miles within the boundaries of the school district, to the nearest full square mile. The 2014-2015 area in square miles is calculated using the Calculate Geometry tool in ArcGIS (ArcInfo) v10 software. The original district boundary shape-files were obtained from the UALR GIS laboratory.

2. **ADA Average Daily Attendance K-12.** The aggregate number days of attendance of all students during a school year divided by the number of days taught during that year. It includes students who attend school outside the resident district on a tuition agreement between the respective resident and receiving districts. This report uses the four-quarter ADA for FY 2014-2015.

3. **ADA Percent Change Over 5 Yrs.** The percentage change in the ADA in the district from FY 2009-2010 through 2014-2015 in grades K-12. A negative (-) sign indicates a loss in ADA.

4. **Four-Quarter Average Daily Membership (ADM).** The number of days of attendance and absence for students in kindergarten through grade twelve (K-12) during a school year divided by the total number of days taught in 2014-2015. It includes students who attend school outside the resident district on a tuition agreement between the respective resident and receiving districts. This number is not used in funding calculations.

5. **Prior-Year Three-Quarter ADM.** The ADM for the first three (3) quarters of the 2013-2014 school year. This is used for 2014-2015 Foundation Funding purposes.

6. **Assessment.** The total of the assessed value of real, personal and utility property in the school district, assessed in calendar year 2014 for taxes collectible in calendar year 2015 and used for Foundation Funding estimate in FY 2016.

7. **M & O Mills.** The millage levied by the quorum court of a local school district for the maintenance and operation of the school district.

8. **URT Mills.** The Uniform Rate of Tax (URT) is a constitutionally imposed property tax of 25-mills levied on the assessed value of all real, personal, and utility property. The net revenues from this tax must be used solely for the maintenance and operation of schools.

9. **M&O Mills in Excess of URT.** Line 7 minus line 8.

10. **Dedicated M & O Mills.** The millage levied by the quorum court of a school district for maintenance and operation purposes specifically stated on the ballot of the school district and limited to a maximum of three mills.

11. **Debt Service Mills.** The millage levied by the quorum court of a school district and pledged as security for the retirement of bonded indebtedness of the school district.

12. **Total Mills.** The sum of lines 7, 10, and 11.

13. **Total Debt Bond/Non-Bond.** As of June 30, 2015, the district total of outstanding commercial bonds, revolving loans, post-dated warrants, lease purchases, and installment loans.

REVENUES

14. **Property Tax Receipts (Including URT).** Revenue comprised of property taxes, property tax relief, tax accruals, delinquent taxes, excess commissions, land redemptions, penalties and interest on delinquent taxes, and other local taxes.

15. **Other Local Receipts.** Revenue from local sources other than property taxes, including but not limited to revenue in lieu of taxes, interest on investments, rental income, donations, food service revenues, vending machine revenues, miscellaneous local revenue, and revenue from the county.

16. **Revenue from Intermediate Sources.** Unrestricted revenue from the county including county general apportionment, severance tax, and other revenue from the county.

17. **Foundation Funding.**

    17.1 **State Foundation Funding (Excluding URT).** State financial aid provided to school districts. For 2014-2015, state foundation funding is computed as the difference between the foundation funding amount ($6,521) multiplied by the prior-year three-quarter ADM for the district and the sum of 98% of the uniform rate of tax multiplied by the property assessment of the school district, plus calculated miscellaneous funds. For the 2015-2016 fiscal year, state foundation funding is computed using $6,584 instead of the $6,521 used in the 2014-2015 fiscal year calculation.

    17.2 **98% URT X Assessment less Net Revenues.** State financial aid adjustment based on the difference between 98% of the 25 mills URT (uniform rate of tax) multiplied by the assessment and actual net revenues. To school districts that received state foundation funding in FY13, ADE will disburse aid to school districts with actual net revenues of less than 98% of the URT multiplied by the assessment. The ADE will recoup from school districts actual net revenues of more than 98% of the URT multiplied by the assessment.

18. **Student Growth Funding.** For 2014-2015 student growth funding is calculated based on the increase in current year ADM of each quarter compared with the previous year three-quarter ADM. This increase for each quarter is multiplied by one-quarter (1/4) of the per student foundation funding amount. Any increase resulting solely from consolidation or annexation with another school district is excluded for purposes of calculating student growth funding.

19. **Declining Enrollment Funding.** For 2014-2015, state funding for school districts that have experienced a decline in ADM over the two (2) immediately preceding school years.

20. **Consolidation Incentive/Assistance.** A monetary incentive for school district consolidations and annexations.

21. **Isolated Funding.** State financial aid provided to isolated school districts, small school districts, or districts with isolated school areas as set forth in A.C.A. §§ 6-20-601 et seq. and restricted for use by those isolated school districts, small school districts, or districts with isolated school areas.

22. **Supplemental Millage Incentive Funds.** State funding that is being phased out over a 10 year period and is paid to a school district that formerly qualified for supplemental millage incentive funding under the Supplemental School District Funding Act of 2003, § 6-20-2401 et seq. [repealed], in fiscal year 2005. Fiscal year 2014-2015 is the ninth year of the phase-out.

23. **Other Unrestricted State Funding.** Other unrestricted revenue from State sources.

24. **Total Unrestricted Revenue.** The sum of lines 14 through 23.

25. **Adult Education.** Restricted funds provided for adult education including adult basic education, adult general education, workplace adult education, and other adult education.

26. **Professional Development Funding (PD).** Restricted funds provided to school districts for purposes promulgated in Rules by the State Board of Education and equal to an amount of up to thirty-two dollars and forty cents ($32.40) multiplied by the school district's previous school year three-quarter ADM.

27. **Other Regular Education.** Other restricted funds including, but not limited to, Reading Program In-service (McRAT, ELLA, Reading Recovery), College and Career Readiness Planning Program (CCRPP) and Distance Learning.

28. **Gifted and Talented.** Restricted funds for specific programs for the education of gifted and talented children, and also for Advanced Placement reimbursements.

29. **Alternative Learning Environments (ALE).** Restricted funds provided for a student intervention program in compliance with A.C.A. §§ 6-48-101 et seq. and 6-20-2305(b)(2) that seek to eliminate traditional barriers to student learning. For the 2014-2015 school year ALE funding was $4,383 for each identified ALE student enrolled in the prior year.

30. **English Language Learners (ELL).** Restricted funds provided to assist in the education of students identified in the current school year as not proficient in the English language. For the 2014-2015 school year ELL funding was $317 for each identified ELL student.

31. **National School Lunch State Categorical Funds (NSL).** Restricted funds provided to school districts based on the number of National School Lunch students for the immediately preceding school year as determined under A.C.A. § 6-20-2303(12)(A) and funded as determined under A.C.A. § 6-20-2305(b)(4)(A).

32. **Other Special Education.** Other restricted funds provided to school districts for special education, including Children with Disabilities, and Early Childhood Special Education.

33. **Career Education.** Restricted funds provided by the State for vocational programs, excluding federal funds, including but not limited to Workplace Readiness and Area Career Centers.

34. **School Food Service.** Restricted funds provided by the State for school food service activities.

35. **Education Service Cooperatives**. For the Education Service Cooperatives these are funds provided by the State for the basic operational costs of the Education Service Cooperatives as established by A.C.A. § 6-13-1001 et seq. For school districts these are funds provided in a grant to the district from the Education Service Cooperative.

36. **Early Childhood Programs.** Restricted funds provided by the State for Early Childhood Programs, including Arkansas Better Chance, Parental Involvement, and Smart Start programs.

37. **Magnet School Programs.** Funds provided by the State to the three Pulaski County school districts for the operation of Magnet Schools, Majority-to-Minority (M-to-M) programs, M-to-M transportation expenditures, and for court-ordered teacher retirement and insurance benefits.

38. **Other Non-Instructional Program Aid.** Restricted funds provided by non-instructional programs not otherwise identified, such as Worker's Comp Funding, Game and Fish Habitat Grant, Department of Health, and Academic Facilities programs.

39. **Total Restricted Revenue from State Sources.** The sum of lines 25 through 38.

40. **Total Restricted Revenue from Federal Sources.** Restricted funds provided by the federal government through the state as agent to the school districts, which must be used for specific categorical purposes, such as revenue in lieu of taxes, Elementary / Secondary Education Programs, ROTC, Carl Perkins Stabilization Aid, Adult Education Stabilization, School Food Services, IDEA Title VI, and Safe & Drug Free Schools.

41. **Financing Sources.** Non-revenue financing sources including, but not limited to, proceeds from the sale of bonds, revolving loans, postdated warrants, current loans, lease purchases, and the debt service savings resulting from refunding outstanding bonds.

42. **Balances from Consolidated/Annexed District.** Balances transferred from individual districts into the database of the resulting Consolidated/Annexed district.

43. **Indirect Cost Reimbursement.** Funds provided for those costs that are not readily identified with the activities funded by the associated federal grant or contract, but are incurred for the joint benefit of those activities and other activities and programs of the organization.

44. **Gains and Losses from Sale of Fixed Assets.** Non-revenue funds from the sale of equipment, buildings, and land.

45. **Compensation for Loss of Fixed Assets.** Compensation from insurance for the loss of school property that is not being replaced.

46. **Other.** Other inter-fund transfers.

47. **Total Other Sources of Revenues.** The sum of lines 41 through 46.

48. **Total Revenue from All Sources.** The sum of lines 24, 39, 40 and 47.

EXPENDITURES

49. **Regular Instruction.** Expenditures for activities dealing directly with teaching students or interaction between teacher and pupils. Teaching may be provided for pupils in a school classroom, in a home or hospital, and in other learning situations such as co-curricular activities.

50. **Special Education.** Expenditures for activities that are designed to deal with special needs of children who are handicapped and in need of special education and related services, including teachers, teacher aides, physical and occupational therapists, speech/language therapists, and counselors.

51. **Career Education.** Expenditures for programs that provide individuals with the opportunity for employment in an occupational area, including agricultural operations, business occupations, health careers, or trade and industrial occupations.

52. **Adult Education.** Expenditures to develop knowledge and skills to meet education objectives for adults and to prepare for a new or different career.

53. **Compensatory Education.** Expenditures for instructional activities designed primarily to meet the educational needs of pupils who are judged to be underachievers or educationally deprived. All compensatory education must be supplemental to regular instruction.

54. **Other.** Expenditures for instructional activities not otherwise identified, such as gifted and talented programs, band, choir, English Language Learners, Alternative Learning Environments, Fine Arts, and ROTC.

55. **Total Instruction.** The sum of lines 49 through 54.

56. **General Administration.** Expenditures for activities that are concerned with establishing and administering district policy, including the activities of the district board of education, elections, reappraisal of property, the overall general administration of the district, and the office of the superintendent.

57. **Central Services.** Expenditures for activities concerned with paying, transporting, exchanging, and maintaining goods and services for the district.

58. **Maintenance and Operation of Plant Services.** Expenditures that are concerned with operating and maintaining the plant, grounds, buildings, equipment, maintaining general purpose vehicles such as trucks, tractors, graders and staff vehicles, and maintaining order and safety in school buildings and on school grounds.

59. **Student Transportation.** Expenditures for activities concerned with the transporting of students to and from school, including managing transportation services such as operating, repairing, cleaning, painting, fueling, and inspecting vehicles for safety.

60. **Other District Level Support Services.** Expenditures for all district level support services not otherwise identified.

61. **Total District Level Support.** The sum of lines 56 through 60.

62. **Student Support Services.** Expenditures for services that are designed to assess and improve the welfare of students and supplement the teaching process, including social work services, guidance services, physical and mental health services, speech pathology, audiology services, and parental involvement programs.

63. **Instructional Staff Support Services.** Expenditures that are associated with assisting the instructional staff in planning, developing and evaluating the process of providing learning experiences for children.

64. **School Administrative Services.** Expenditures for activities concerned with overall administrative responsibility of a school, including the office of the principal.

65. **Total School Level Support Services.** The sum of lines 62 through 64.

66. **Food Service Operations.** Expenditures for activities concerned with providing food to students and staff in a school or school district. This service area includes preparing and serving regular meals, lunches, or snacks in connection with school activities and food delivery.

67. **Other Enterprise Operations.** Expenditures for activities where the stated intent is for the activity to finance or recover the costs primarily through user charges. Food services are not included.

68. **Community Operations.** Expenditures for activities concerned with providing community services to students, staff, or other community participants. Examples of this function would be offering parental training or operating a community swimming pool, a recreation program for the elderly, or a childcare center for working mothers.

69. **Other Non-Instructional Services.** Expenditures for non-instructional programs not otherwise identified.

70. **Total Non-Instructional Services.** The sum of lines 66 through 69.

71. **Facilities Acquisition and Construction.** Expenditures for activities concerned with acquiring land and buildings, remodeling buildings, constructing buildings and additions to buildings, initially installing or extending service systems, and site improvements.

72. **Debt Service.** Expenditures for paying the district's debt, including principal, interest, and fiscal fees.

73. Invalid

74. Invalid

75. **Other Non-Programmed Costs.** Other non-programmed costs not otherwise identified.

76. **Total Expenditures.** The sum of lines 55, 61, 65, 70, and 71 through 75.

77. **Less: Capital Expenditures.** Expenditures for acquiring capital assets, including land, existing buildings, existing infrastructure assets, and equipment. (Includes amounts shown on line 71.)

78. **Less: Debt Service.** The amount in line 72.

79. **Total Current Expenditures.** Line 76 less lines 77 and 78.

80. **Exclusions from Current Expenditures.** The following accounts are excluded from Current Expenditures to arrive at Net Current Expenditures: tuition paid by individuals; tuition paid by other LEAs within the State; transportation fees paid by individuals; transportation fees paid by other LEAs within the State; services provided to other LEAs (other than tuition and transportation); food service revenues; student activities revenues; textbook revenues; Community Operations (line 68) and Other Non-Programmed Costs (line 75). Students of adult education and pre-school programs are not included in ADA (line 2); therefore, those expenditures are not included in Net Current Expenditures.

81. **Net Current Expenditures.** Line 79 minus line 80.

82. **Per Pupil Expenditures.** Line 81 divided by line 2. The Per-Pupil Expenditure (PPE) is calculated using the four-quarter ADA. Arkansas uses the three-quarter ADM for funding and other analytical purposes.

83. **Personnel – Non-Federal Licensed Classroom FTEs.** The number of K-12 licensed personnel employed by the district as K-12 classroom teachers, librarians, counselors, psychologists, and other K-12 licensed, non-administrative employees and paid from the Teacher Salary Fund. Licensed employees paid from federal funds are not included.

    83.5. **Total Salary of Non-Federal Licensed Classroom FTES.** This line amount is the total salaries of all licensed classroom teachers employed by public school districts.

84. **Average Salary – Non-Federal Licensed Classroom FTEs.** The average salary of personnel defined in line 83.

85. **Personnel – Non-Federal Licensed FTEs.** The number of all licensed personnel including administrative FTEs, K-12 Classroom FTEs, and other non-administrative personnel employed by the district and paid from the Teacher Salary Fund. Adult education employees and licensed employees paid from federal funds are not included.

    85.5 **Total Salary – Non-Federal Licensed FTEs.** This line amount is the total salaries of all licensed personnel employed by public school districts.

86. **Average Salary–Non-Federal Licensed FTEs.** The average salary of personnel defined in line 85.

ARKANSAS COMMISSION FOR COORDINATION OF EDUCATIONAL EFFORTS 2015 ANNUAL REPORT

The Commission for the Coordination of Educational Efforts was created by Act 109 of the Second Extraordinary Session of 2003. Act 109 required the Commission to recommend policies related to the improvement of coordination among and between the levels of education from pre-kindergarten to the graduate level, and included a specific list of topics for consideration. Subsequent legislation has adjusted the size and composition of the board but retained the initial purpose. The original topics and legislative history are provided for reference in Appendix A to this report.

For a decade the Commission for Coordination has met quarterly, listened to many distinguished speakers from government, education, and the private sector and annually provided a report with recommendations for change and attention. A partial list of past presentations is also provided for reference in Appendix A.

In the past ten years, many things have changed that affect education and jobs in Arkansas and the efforts that coordinate and link them. Some of these are executive acts, such as the STEM Works effort that promotes STEM (Science, Technology, Engineering, Mathematics) education leading to a workforce empowered for the knowledge-based jobs of the 21st Century. STEM Works includes UTeach programs at three universities that will improve the availability of teachers skilled in STEM disciplines and three project-based learning initiatives – Project Lead the Way, New Tech, EAST Core. The Arkansas Economic Development Commission has emphasized growth in skilled, higher paying jobs and the infrastructure to support technology based startups and increase venture capital.

There are also large efforts driven primarily by other state agencies, such as the advent of the Common Core Curriculum and Arkansas' role in developing the Next Generation Science Standards. These efforts affect the entire educational enterprise.

New organizations have also emerged focused on the vision of Arkansas in the 21st Century. Accelerate Arkansas focuses on the broad changes in education and the economy required to get the average income in Arkansas to equal the US average. The Arkansas STEM Coalition focuses on engaging the educational enterprise,

state agencies, businesses and citizens to remake Arkansas STEM policies, strategies and programs in order to expand the economy of Arkansas and produce higher paying jobs. There are programs to remediate, reduce the need for remediation, increase the success, extent and diversity of AP courses, and other programs for concurrent enrollment and distance education. Other programs encourage students to visit college campuses and employers, to gain information for planning their lives.

In 2015, the Commission heard from the Arkansas Department of Education and the Arkansas Department of Career Education, the Arkansas Department of Higher Education, and the Division of Early Childcare Education at the Arkansas Department of Human Services. Presentations were made to update the Commission on the work of the Arkansas Research Center, the Governor's Computer Science Task Force, and ForwARd Arkansas.

Recommendations of the Commission are:

1. To support the implementation of the recommendations set forth in ForwARd Arkansas's "New Vision for Arkansas Education". Those recommendations are as follows:

PRE-K

All students, starting with those in highest need, have access to high-quality early childhood learning opportunities so they arrive at kindergarten ready to learn.

- Starting with lowest-income areas, improve quality of programs to meet new, high standards.
- Then, increase access to pre-K in areas of shortage.

TEACHING AND LEARNING

Each student is supported in developing the full range of knowledge and skills she/he needs to be successful in college and career. All schools have a culture of mutual respect, high expectations for all, teamwork and continuous growth.

- Embed more high-quality teacher collaboration in schools.

- Establish workforce education pathways that provide college credit during high school and prepare students for both career and higher education options.
- Improve testing in a way that maintains academic rigor, uses classroom time thoughtfully, informs teaching, and measures student progress holistically.

TEACHER PIPELINE

All schools, especially those in high-need areas, have access to talented educators who have been rigorously prepared. Build homegrown teaching talent by expanding programs like Teacher Cadet.

- Expand pathways for nontraditional educators without sacrificing quality.
- Attract top talent to high-need schools and subjects by improving incentives.

SUPPORT BEYOND THE CLASSROOM

All students and families, starting with those in highest need, have access to and support in accessing the nutritional and health resources needed to come to school ready to learn.

- Increase access to nutrition by implementing healthy breakfast as a part of the school day.
- Provide high-risk children and families improved support in navigating access to quality health care services.

LEADERSHIP

All education leaders put students at the center of their decisions, work tirelessly to build and support a team, deploy resources effectively, and hold themselves and their team accountable for enabling all children to be successful.

- Empower principals to set a shared vision, and manage staff and resources to reach it.
- Support implementation of a rigorous administrator evaluation system.

- Expand rigorous preparation programs and mentorship.
- Focus school board training on good governance; align board elections with general election.

ACADEMIC DISTRESS

All schools in academic distress and pre-academic distress receive support and interventions that enable them to transform their school cultures, dramatically improve student achievement, and sustain their improvement over time.

- Create a transparent process that proactively identifies schools approaching distress.
- Empower one unit at the ADE and staff it with top talent to manage the process.
- Measure progress holistically (not just test scores) and share with the community.

SYSTEMS AND POLICIES

All school districts have sufficient funding and use resources in a way that most effectively supports student success. Policies enable the implementation of recommendations needed for Arkansas to become a leading state in education.

- Streamline the regulatory burden (on teachers and administrators, educator prep programs, ADE) to enable a focus on instruction, encourage innovation, and support a mindset shift from compliance to excellence.
- Improve district capabilities to make decisions based on evidence of educational impact.
- Over time, increase funding to support educational excellence, tying incremental increases to evidence of effective resource use

2. To endorse the recommendations of the Governor's Task Force on Computer Science, including expansion of K-12 computer science offerings from early grades through high quality college and career preparatory courses offered in

every high school in Arkansas. Whenever possible computer science should be integrated in other courses as an important tool to research and problem solving, especially in problem based learning opportunities such as the EAST Initiative and Project Lead the Way. The Commission also supports the recommendations for expanded teacher training in computer science and the expansion of more advanced high school classes to be available in the state's high schools.

3. To review and increase funding for Arkansas higher education institutions so that those institutions have the resources needed to meet the technological needs of current and incoming students, as new computer science standards are put in place in K-12 schools.

ARKANSAS COMMISSION FOR COORDINATION
OF EDUCATIONAL EFFORTS
2015 ANNUAL REPORT

Appendix A: Background and History

The Commission for the Coordination of Educational Efforts was created by Act 109 of the Second Extraordinary Session of 2003 in response to a perceived need for coordinated efforts to address problems with the flow of students from K-12 educational institutions to institutions of higher education and ultimately to the workforce. One major example of an issue requiring coordinated attention was the high rate of remediation required in students entering the institutions of higher education.

The Act required the appointment of members by the Governor, President Pro Tempore, Speaker of the House, the Presidents Council of Colleges and Universities, and by virtue of positions. Act 109 required the Commission to recommend policies related to the improvement of coordination among and between the levels of education from pre-kindergarten to the graduate level as well as:

- Recommend policies on concurrent enrollment of high school students in college courses.
- Make recommendations related to a common calendar for all public schools and institutions of higher education.
- Study the various delivery systems of distance learning and recommend ways to improve and make more efficient a delivery system for Arkansas.
- Recommend ways that the public schools, the Department of Education, the Department of Higher Education, and the institutions of higher education can improve working relationships in order to improve the effectiveness of teaching for the public schools.
- Recommend ways of improving the transfer of credit from institution to institution for the benefit of the student. This includes recommendations for improving the transfer from two-year to four-year institutions as well as the transfer among two-year institutions and four-year institutions.
- Make recommendations related to aligning the curriculum from kindergarten through the bachelor's level in colleges and universities.
- Recommend ways of improving the link between educational efforts and economic development for Arkansas.
- Recommend priorities for the funding of education.

- Review all current scholarship programs of the state and institutions of higher education and make recommendations for improving future scholarship programs.

- Make recommendations related to the future need for remediation of first-time college students.

- Make recommendations to improve science, technology, engineering, and mathematics education from kindergarten through the bachelor's level in higher education.

- Make recommendations to improve the use of educational technology.

- Recommend any other improvements in education at any level to benefit students and the state.

Act 1936 of 2005 amended Act 109 by adding the President of the Arkansas Science & Technology Authority and the Executive Chief Information Officer as members. Act 1936 also added duties concerning science and technology, as listed above.

Act 751 of 2007 dissolved and transferred the duties of the Executive Chief Information Officer to the Department of Information Systems. Therefore, the Director of the Department of Information Systems replaced the Chief Information Officer as a member of the Commission.

The first meeting of the Arkansas Commission for Coordination of Educational Efforts was held on August 12, 2004 where Dr. Ken James, then Commissioner of the Department of Education, and Dr. Linda Beene, then Director of the Department of Higher Education, presented an explanation of the commission, the reason for its creation and desired outcomes. Florine Milligan, Arkansas State University Trustee member, was elected Chair of the Commission at its November 2005 meeting, a position she diligently continued to fill through 2013.

Each year the recommendations of the Commission were provided to the Governor, the Senate and House Committees on Education, the State Board of Education, the Arkansas Higher Education Coordinating Board, the boards of trustees of public institutions of higher education, and superintendents of Arkansas public schools in the December Annual Report as required by Act 109 of the Second Extraordinary Session of 2003.

Amy Braswell, representing public school teachers, was elected chair of the Commission at its March 2015 meeting.

The Commission has met quarterly since August 2004 to gather information. Presentations and information presented to the Commission include:

- Jim Boardman, assistant director for research and technology at the Department of Education, addressed the tracking of students from kindergarten through college graduation;
- Dr. Jim Purcell informed the Commission about the changes in scholarships based on new legislation and the new lottery. He also spoke about President Obama's new American Graduation Initiative;
- Dr. Charity Smith, assistant commissioner for Academic Accountability at the Department of Education, presented information about data and tracking of students in kindergarten through high school graduation;
- Dr. Neal Gibson from the Arkansas Research Center and the Department of Education spoke to the Commission about student growth and data visualization. The Department of Education received a grant to develop a statewide longitudinal data system;
- Tonya Russell, director of the Division of Child Care and Early Childhood Education at the Department of Human Services, reported activities by the Department of Human Services that encourage parental involvement, especially at the early childhood level;
- Dr. Jim Purcell presented information about Complete College America, a new initiative designed to identify and target college graduation goals. He also described the scholarships available and reported on the Department of Higher Education's process of awarding those scholarships;
- Jim Boardman presented the Commission with information about the data grant of $9.8 million from the U.S. Department of Education to the Department of Education;
- Dr. Tom Kimbrell, commissioner of the Department of Education, updated the Commission on the Common Core State Standards for Readiness for College and Career. This is an effort of most states to adopt common standards in English, language arts, and mathematics education;
- William Walker, director of the Department of Career Education, spoke to the Commission on the duties of that department;
- Dr. Ed Franklin, executive director of the Arkansas Association of Two-Year Colleges, spoke to the Commission about the Center for Student Success;
- Shane Broadway, interim director of the Department of Higher Education, gave a legislative update;

- Dr. John Ahlen from the Arkansas Science and Technology Authority and Susan Harriman from the Department of Education updated the Commission on STEM education and the U-Teach program;
- Dr. Kimbrell spoke to the group about the Common Core standards and STEM works;
- Melinda Faubel from AT&T described some ways Arkansas businesses are promoting education through grants and other incentives;
- Dr. Bob Gunter from the Arkansas Department of Career Education updated the Commission on the activities of the department;
- Melissa Jacks from the educator licensure division at the Department of Education spoke about possible changes to teacher licensure regulations;
- Luke Gordy, executive director of the Arkansans for Education Reform Foundation, described the Foundation's work;
- Herschel Cleveland, a former state representative and sponsor of legislation creating the Commission, described the origin and history of the Commission; and
- Megan Witonski, assistant commissioner in the Division of Learning Services at the Arkansas Department of Education, spoke about the Common Core Standards being implemented;
- Stephen Addison, dean of UCA's College of Natural Science and Mathematics, described efforts to promote technology and computer science in education;
- Carman McBride, EAST Facilitator, and students, presented to the Commission various projects in the EAST program at Don Roberts Elementary School;
- Amanda Tucker, Instructional Technology Facilitator at Don Roberts Elementary School described ways the school was providing technology to the teachers and the students;
- Warwick Sabin, executive director of the Arkansas Regional Innovation Hub, spoke to the Commission about the organization;
- Jordan Carlisle, from the Little Rock Chamber of Commerce, described Little Rock Startup Weekend;
- Jeff Stinson, director of UALR TechLaunch, gave the Commissions details about TechLaunch's promotion of entrepreneurship;

- Debbie Jones, assistant commissioner for Learning Services at the Arkansas Department of Education updated the Commission on the Common Core State Standards;
- Sarah Argue and Greg Holland from the Arkansas Research Center reported on the progress of the Center;
- James Hendren, chair of the Governor's Computer Science Task Force, provided an update on the group's activities to the Commission; and
- Cory Anderson, vice president of ForwARd Arkansas, described the efforts of the initiative to promote education in Arkansas.

Assessment Update

March 2016

Hope Allen
Director of Assessment

PARCC Final Data

- All final data is attached to today's agenda
- Schools have assigned AIP's based on this data
- Females scored higher than males in both math and ELA
- Hispanic populations scored higher than African American populations in math and ELA
- ADE will continue to look into the differences in performance among our populations as we move to ACT Aspire

ACT Aspire Update

- 100% of schools are online for 2016
- Testing begins on April 11, 2016
- Accommodations are being offered and schools are learning new guidelines
- Sessions are currently being created for both periodic and summative assessments

ACT Aspire Preparation

- Field tech support is in progress
  - 21 identified districts will receive support from ACT Aspire
  - ADE and DIS currently visiting schools as needed to test infrastructure
- Supports
  - Co-op meetings
  - Weekly webinars
  - Weekly communications
  - Livebinder - http://www.livebinders.com/play/play/1851411#
- Communications
  - Parent toolkit
  - PTA meetings
  - Website

Periodic Assessments

- Currently being utilized by 55% of students
- Consist of classroom and interim assessments
- Data is immediate within the portal
- Not considered a practice test, but a checkpoint
- Available in the coming years at no cost to schools
- Webinars have been held in January and February

District Feedback

- Primarily positive about the switch
- Frustration with the alignment, particularly in the high school
- Technology is working in most cases
  - “We tested over 900 students and had to resume approximately 10”
- Technology issues are being caught through required infrastructure trials
- Frustration with learning a new system and having to use 4 portals
  - ACT Aspire
  - ACT
  - Multi State Alternative Assessment (MSAA)
  - ELPA21

Upcoming Trainings

- Summer training for district administrators
  - Scores
  - AIP's
  - Assessment program
- Weekly webinars for testing coordinators
- Content training as requested

ELPA21

- Window opened on February 1
- Overall good experience for students
- Have had some issues with the delivery
- Able to capture a better picture of a student's English Language skills

PARCC Scores

The state now has final PARCC data to share with the board. Attached to your agenda is a copy of the final report and performance data by school and district. Overall Arkansas students performed as expected with the implementation of a more rigorous assessment. Within the report you will also see Arkansas's performance compared to that of other states.

ACT Aspire Update

Arkansas is in full preparation for the first administration of the ACT Aspire summative assessment that will begin on April 11. All Arkansas schools will be testing online in the spring of 2016. We have identified twenty-one (21) districts that are either new to online testing in 2016 or had notable complications with online testing in 2015. ACT Aspire will be sending five (5) field technicians into the state to work specifically with these districts to ensure their online testing experiences are successful in 2016. The Arkansas Department of Information Systems (DIS) has also been visiting schools identified with bandwidth complications that threaten the ability to test online. In all cases where a site visit has taken place, technical assistance was provided and it has been determined the schools can test online.

Additional support to all districts has been provided through presentations at educational cooperatives, weekly webinars for test coordinators, and information available via the State Assessment Livebinder. All communications and webinar recordings are archived by Livebinder for easy access at http://www.livebinders.com/play/play/1851411#. Joint efforts across units at the ADE are ensuring that schools are provided with guidance around appropriate accommodations and modes of delivery for students with disabilities and dyslexia.

In the coming weeks, assessment director Hope Allen plans to speak with several PTA groups to inform parents about the Aspire assessment and what parents can do to help prepare their children for success. The Council of Chief State School Officers (CCSSO) is currently assisting the department in the creation of a parent communication toolkit that will include a parent letter and information about next generation assessments.

Many districts and schools across the state are utilizing the Aspire periodic system that is comprised of both interim and classroom assessments. Districts and schools have received communication that even though the Aspire periodic assessments are available, they are not practice tests, but rather a series of tests that may be used to show student growth to identify areas of weakness. The state has received positive feedback about the data schools are receiving. As of February 18, 2016, approximately 55% of students who are registered for the summative ACT Aspire have either taken, or are scheduled to take, a periodic assessment. When speaking with school administrators, Office of Student Assessment staff discuss the appropriate use of and time spent on interim assessments. During the summer of 2016, the

Office of Student Assessment staff will be speaking to administrators across the state about the use of Aspire scores and the effectiveness of local assessment programs. Summer professional development also is being designed to assist districts in evaluating current instructional and assessment programs in order to maximize instructional time for student learning.

English Language Proficiency Assessment for the 21st Century (ELPA21)

The first administration of the ELPA21 assessment began on February 1, 2016, and the overall student experience has been positive. ELPA21 is the assessment planned for English language learners (ELLs) in the coming years, and work with districts to support ELLs and on new ELL assessment requirements under the Every Student Succeeds Act (ESSA) continues.
