Staff Qualification Plans

11.7 Staff members not qualifying under Sections 11.01-11.02 may work in an ABC program under an approved SQP

- 11.7.1 DESE will approve these plans on a case-by-case basis and shall monitor the plan to ensure adequate progress is being made.
- 11.7.2 Programs shall file a SQP with DESE within fifteen (15) days of the date of hire and shall submit progress reports on January 30 and July 30 annually.
- 11.7.3 Programs hiring staff members not meeting minimum qualifications without an approved SQP shall be subject to termination from the ABC program.

SQP Progress Report

To verify progress on an SQP, the ABC Program Coordinator must submit the SQP progress reports on January 30 and July 30 of each year.

The SQP progress report must include at a minimum:

- Documentation of progress (grades for college courses, transcripts, certificates earned, teaching license)
- Documents supporting justification for lack of progress if progress is not made
- Upload progress report and pertinent documents in the individual's COPA eDocs staff records and retain copy on-site in staff file.
- Failure to comply with the requirements specified in the SQP, or lack of progress made, may result in termination of SQP agreement.

If your program enrolls staff into courses such as the CDA at a specific time during the onboarding process, please communicate that at the time the SQP application is submitted. Participants on an SQP should be actively showing progress towards minimum staff qualifications.

Communication

- The Office of Early Childhood offers a monthly provider call on the first Tuesday of every month. These calls are for all licensed programs throughout the state and hold important information from updates to Nutrition, CCDF School Readiness Assistance, Licensing, Better Beginnings, and upcoming events.
- Upcoming calls, and recorded past meetings can be found on our website here: [Division of Elementary and Secondary Education - Offices - Early Childhood - Informational Provider Calls](#)

Stay up to date with the Office of Early Childhood and subscribe to [The Buzz Newsletter](#) from Better Beginnings!

- 2025-2026 Grant Application?
 - We will send out guidance once the coordinated funding request have been received. We will send out an email and instructions for the grant renewal process.
- How will programs be funded if they go less than 178 days?
 - When your calendar and grant renewal is submitted, you should put the number of days you plan to attend. Your rate will be prorated based on those days.
 - For example, \$28.67 per day X 160 days, equals \$4,587. You would receive that prorated amount per child.
- How to address concerns with behaviors?
