

All teachers who will be receiving this student must have a copy of this plan.

Alternative Education Transition Plan

No student shall be returned to a traditional school without a formal written transition plan prepared by the alternative school, parent, and student in consultation with the traditional school to which the student shall be returned. The transition plan will include action steps necessary to facilitate the transition, persons responsible, resources needed, and any applicable timeline. The transition plan must be approved by the Transition Team prior to a student's return to the traditional school.

Student Name: _____

Grade: _____

Date: _____

What are the student's strengths?

What are the student's weaknesses?

What works well/does not work well for the student?

What should the regular classroom teachers watch for, and what do they do if they observe it?

All teachers who will be receiving this student must have a copy of this plan.

How is the transition process going to be monitored for this student, and who will be responsible?
