

# Improve Food Quality. Stabilize Your Operations. Power Students' Potential.

**ARAMARK STUDENT NUTRITION IS A PROUD PARTNER OF ARKANSAS SCHOOLS.** We believe food powers potential. That's why our culinary and hospitality teams are empowered to proudly and passionately serve healthy, tasty foods capable of bringing out the best in every student in Arkansas.

We help districts improve student outcomes with high quality meals that power learning and free up general funds to better support districts' educational mission.
