

Arkansas Early Childhood Well-Being and Behavior Survey

- SRI Education is partnering with the University of Arkansas for Medical Sciences (UAMS) on a project to help ensure Arkansas ECE providers are connected to available support to meet children's behavioral and social skill needs.
- SRI Education sent a random sample of directors and child care family home providers an email invitation to participate in a survey with the subject line “**Support Young Children: Please Complete the AR Early Childhood Well-Being and Behavior Survey**”
 - This email contains your personalized survey link.
 - Participants who complete the 15-minute survey will receive a **\$40 Walmart gift card**.
 - Your participation is **voluntary**.
 - We are **not evaluating** your abilities or the performance of your organization.
 - We won't include your name or the name of your program in any reports.
