School districts seeking to employ educators to teach out of field (not in the field in which the educator is currently licensed) will use the Additional Licensure Plan (ALP) to meet that need. School districts may use the ALP process to address unusual emergency situations when licensed educators are asked to teach in areas/levels for which they are not licensed. School districts may not exceed the six semester limit without possible penalty.

***THIS AREA CANNOT BE ADDED BY TESTING ONLY.***

**Eligibility Guidelines:**

- possess a standard Arkansas educator license,
- seek to add this area of licensure or endorsement, and
- be assigned to teach in this area rather than the one for which they are currently licensed.

For information on adding additional licensure areas by testing out or through a program of study and testing, please refer to the <https://dese.ade.arkansas.gov/Offices/educator-effectiveness/educator-licensure/adding-to-a-license>

**Employing School District Guidelines:**

- The employing district will document the need to assign an educator out of field.
- The employing district superintendent shall submit a waiver request and completed ALP form with the ADE Office of Educator Licensure within 30 days of the out-of-area teaching assignment, thus documenting the above statement.
- The employing school district understands that an educator working under this ALP shall make adequate yearly progress (as specified in the Rules Governing Educator Licensure) each school year that the educator is employed in the out-of-area assignment.
- The employing district understands that an educator will have no more than six consecutive semesters from the first date he/she was employed in the out-of-area assignment by any district to meet full licensure requirements for the additional licensure or endorsement being sought. A waiver request must be submitted each school year the educator is employed out-of-area.

**School District Assurances:**

I certify that the above statements are true and correct to the best of my knowledge.

**Educator ALP Guidelines:**

Educators shall make adequate yearly progress (as specified in the Rules Governing Educator Licensure) each school year that the educator is employed in the out-of-area assignment.
