## District Maintenance of Equity Data 2022-2023 School Year

\* NA - Districts with special provisions in place in any school cannot use the free/reduced percentage for poverty measure because data is not available to accurately calculate the percentages needed in this analysis.

\*\* District exempt status - districts that are not automatically exempt from maintenance of equity requirements may still qualify for a pre-approved exceptional circumstance exemption if it spends more in state/local funding in the 22-23 school year than it did in the 21-22 school year, on a per-pupil basis.
