

FY 26 CACFP STATE WAIVER REQUEST TEMPLATE FOR SPONSORING ORGANIZATIONS TO CONDUCT OFFSITE MONITORING OF DAY CARE HOMES

Background

Child Nutrition Programs **must** be administered in accordance with all statutory and regulatory requirements; waivers to the requirements are exceptions. However, Section 12(l) of the Richard B. Russell National School Lunch Act (NSLA), 42 U.S.C. 1760(l), provides USDA authority to waive requirements for State agencies or eligible service providers under certain circumstances.

The longstanding interpretation of the authorizing statutory provisions and regulations in the Child and Adult Care Food Program (CACFP) require sponsoring organizations to conduct monitoring reviews onsite. Food and Nutrition Service (FNS) understands that the use of offsite monitoring in prior years was effective for many sponsoring organizations of day care homes (DCH). This optional waiver request form was designed to streamline the process for State agencies requesting a waiver for sponsoring organizations to conduct one offsite monitoring review of DCHs participating in the CACFP.

State agencies and eligible service providers are encouraged to submit complete waiver requests as soon as possible. Implementation of this waiver will begin on the date of approval through September 30, 2026.
