

## ADE PHENOMENAL WOMAN

### Kisa Morman Public School Program Coordinator Office of Learning Services

Kisa Morman is the Public School Math Program Manager for the Arkansas Division of Elementary and Secondary Education (DESE). Kisa has spent twenty-two years in public education in the state of Arkansas. Before her current role, she has been a classroom teacher, instructional coach, secondary district instructional facilitator, and state math specialist. Kisa has a Bachelor of Science in Secondary Mathematics Education and a Master of Science in Educational Leadership from Arkansas State University in Jonesboro, Arkansas.

Kisa Morman is a strong role model for her two children, but she is also a powerful role model for our DESE Math Team and all those she encounters.

She exhibits intelligence and thoughtfulness before she speaks. As a leader, Mrs. Morman listens to the ideas and opinions of others and gathers as many facts as possible before making decisions.

Ms. Morman has done everything she asks the rest of us to do and sets the tone for a positive, thriving workplace.

Kisa leads the DESE Math Team and ESC Specialists throughout the state. She works with local teachers, principals, etc., to create positive learning experiences for Arkansas students.

She collaborates with other DESE leaders on educational initiatives. She is relentless in pursuing what is best mathematically for the teachers and students of Arkansas. Observing her passion for the work inspires her team and others.
