The Office of Early Childhood (OEC) - Arkansas Better Chance (ABC) respectfully requested State Board approval of the Arkansas Better Chance Program Renewal Grants for the 2025-2026 school year in the total amount of \$105,277,280.00.

The requested funds for the ABC renewal grants will provide early childhood services for children birth to 5 years old through 225 agencies serving 22,827 children in both center-based and home-visiting settings.

ABC also requested to support foster children, as well as homeless/displaced children as the need arises. ABC provides waivers for the identified children to receive immediate services. The placement of a foster child and/or displaced child in an ABC program would add a per child award above the total awarded number of slots for that program during the 2025-2026 school year.
