VI.5. Considerations of Petitions for Minimum School District Size Waivers

Act 60 of 2004 requires that if a school district had an Average Daily Membership (ADM) of fewer than 350 students in the two years immediately preceding the current school year, Ark. Code Ann. § 6-13-1603 requires the district to be annexed to or consolidated with another school district. The Department must publish each year a list of school districts that had an ADM of fewer than 350 students for two consecutive years immediately preceding the current school year. This year, 2021, the following six school districts fell into this category: Strong-Huttig School District, Augusta School District, Marvell-Elaine School District, Guy-Perkins School District, Shirley School District, and Western Yell County School District. The district may petition the State Board for a minimum school district size waiver under Ark. Code Ann. § 6-13-1613. The State Board shall grant the petition to waive the minimum school district size if the criteria set forth in Ann. § 6-13-1613 are met.

All six aforementioned school districts presented petitions, and all six meet the requirements set forth in law, which are:

1. The school district may not be in Level V intensive support, fiscal distress, or facilities distress.
2. May not be in probationary status for violation of the standards for accreditation.
3. Its academic facilities, as evidenced by the district's facilities master plan, must be adequate.
4. Must be in the best interest of the students as the board of that local school district has noted in a resolution.
