RE: Letter of Intent to Apply for an Open Enrollment Public Charter School

To Whom It May Concern:

It is our intention to apply for an open enrollment public charter school in Cabot, Arkansas, which will be located within the Cabot Public School District, and shall be referred to as Omni Classical Prep. of Cabot. The proposed school will initially serve grades K through 8 and will serve at least 50 scholars in the first year of operation. At full capacity, the school will serve Two Hundred scholars, until larger accommodations are acquired. Grades 9, 10, 11, 12 may be added each year as staffing and school size will allow.

The mission of Omni Classical Prep is to provide individualized learning plans heavily focused on Language Arts and Mathematics. Using the principles of the Classical model, the scholars will be provided with an innovative learning environment, tailored to their learning style. Core values, leadership and personal responsibility will be the foundation for every lesson, with an initiative to always promote critical thinking to search out the Truth in every subject.

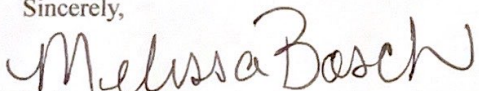

Omni Classical Prep. of Cabot will be serving an area that is growing rapidly, yet has no school options except the local public school. Many students are graduating with below basic math and literacy scores in our district, which this school will focus on. Omni Classical Prep. of Cabot will serve children from special needs to academic scholars. The classical approach guarantees every type of learner finds their highest potential without being left behind.

A 501(c)3 has been applied for under Omni Academics, Inc and the founding board will oversee the operations. The board is led by administrators, teachers and business owners and has a wide breadth of knowledge at its disposal.

You may contact me at:

Melissa Bosch - Omni Classical Academy of Cabot
