**6 CAR § 183-104. Professional development generally.**

(a) To renew an educator license, a teacher shall participate in continuing education and professional development:

(1) Based on the teacher's evaluation and professional growth plan under TESS;

(2) As required under Arkansas Code § 6-17-701 et seq.;

(3) As part of a basic contract under Arkansas Code § 6-17-2402; and

(4) As required by this part.

(b) To renew an expired educator license, the educator shall complete professional development:

(1) Required for licensure under the professional development schedule in Arkansas Code § 6-17-709;

(2) On the educator code of ethics, under Arkansas Code § 6-17-428; and

(3) Required for the educator to obtain credentials for proficiency or awareness of the science of reading, as applicable under the Right to Read Act, Arkansas Code § 6-17-429, if those credentials are not already documented in the Arkansas Educator Licensure System.

(c) Professional development must be earned between July 1 and June 30 unless the employing public school district or open-enrollment public charter school approves and documents the professional development year as between June 1 and May 31.

(d) Professional development earned during the instructional day or outside the educator's contract may apply toward required professional development.

(e) Any educator who misses any part of regularly scheduled professional development activities for any reason must make up that time in other approved professional development activities so that the hours of professional development required annually are earned during the approved time frame required under subsection

(b) of this section, except as provided below:

(1) If the educator is absent because of illness of the educator or the educator's immediate family, the educator shall be allowed to make up the hours missed during the remainder of the current school year or succeeding school year; and

(2) An educator shall complete any missed hours of professional development through professional development that is:

(A) Substantially similar to the professional development missed and approved by the person responsible for the educator's summative evaluation; and

(B) Delivered by any method that is approved by the Division of Elementary and Secondary Education under this part.

(f) Any educator who provides professional development approved by the division may count two (2) hours' professional development credit for every one (1) hour of time spent in presenting professional development content, if approved by the educator's public school district or open-enrollment public charter school.

(g)(1) Five (5) hours of credit for professional development shall be given for every one (1) hour of college credit for a graduate-level course.

(2) Professional development obtained under this subsection may be allocated as follows:

(A) Up to fifteen (15) hours may be credited to the professional development requirements for licensure; and

(B) Hours obtained in excess of fifteen (15) may be credited to any remaining requirements for professional development generally, if approved by the school district in a professional development plan.

(h) The allocation of professional development credit obtained under subsection (g) of this section shall be approved by the:

(1) Public school district or open-enrollment public charter school employing the teacher; or

(2) Division, if the educator is not employed by a public school district or open-enrollment public charter school.

(i)(1) An educator may earn up to twelve (12) hours of professional development

credit approved by the school or school district, which may be applied toward the professional development requirement for the time period at the beginning of each school year that is used to plan and prepare curriculum or develop other instructional material.

(2) Educators shall be entitled to one (1) hour of professional development credit for each hour of approved preparation under this section, provided the educator spends the time:

(A) In his or her instructional classroom, office, or media center at the public school;

(B) Prior to the first student-teacher interaction day of the school year;  
and

(C) In the focus areas listed in 6 CAR § 183-108(b).

(j) Educators may count up to two (2) professional development days for attendance at instructional professional development sessions conducted by bona fide professional organizations and approved by the division under Arkansas Code § 6-17-702.

(k) Nothing in this section shall prevent or restrict a public school district or open-enrollment public charter school from requiring additional in-service training.

### **6 CAR § 183-105. Scheduled professional development.**

(a) The professional development required under this section shall include content that is provided by:

(1) The Division of Elementary and Secondary Education, including ArkansasIDEAS;

(2) An institution of higher education;

(3) A provider approved by the division; or

(4) An education service cooperative.

(b) The professional development required under this section shall be counted for the school year that the professional development is earned toward the required professional development for that school year.

(c) If an educator earns additional professional development beyond the requirements of this section, the educator may count the additional professional development toward required professional development for educators for that school year.

(d)(1) A public school district or open-enrollment public charter school shall make available to the appropriate educator, or an educator not employed by a public school district or open-enrollment public charter school shall obtain, required professional development.

(2) Professional development required within one (1) year of receiving a teaching license shall include:

(A)(i) Two (2) hours of professional development for mandated reporters, which covers:

(a) Recognizing the signs and symptoms of child maltreatment;

(b) The legal requirements of the Child Maltreatment Act, Arkansas Code § 12-18-101 et seq., and the duties of mandated reporters under the Child Maltreatment Act;

(c) Methods for managing disclosures regarding child victims;

and

(d) Methods for connecting a victim of child maltreatment to appropriate in-school services and other agencies, programs, and services needed to provide the child with the emotional and educational support the child needs to continue to be successful in school.

(ii) The child maltreatment professional development required under this section:

(a) Shall be based on curriculum approved by the Arkansas Child Abuse/Rape/Domestic Violence Commission; and

(b) May be earned in person or online;

(B)(i) Two (2) hours of professional development on family and community engagement.

(ii) Each educator shall be required to have two (2) hours of

professional development designed to enhance understanding of effective family and community engagement strategies.

(iii) If the appropriate licensed personnel has completed the family and community engagement professional development required under subdivision (d)(2)(B)(ii) of this section at least one (1) time before the 2023-2024 school year, he or she shall not be required to complete the family and community engagement professional development again;

(C)(i) Two (2) hours of professional development on mental health awareness and teen suicide awareness and prevention.

(ii) The required professional development under this subdivision (d)(2)(C) may be accomplished by self-review of suitable mental health awareness and suicide prevention materials approved by the division;

(D)(i) Two (2) hours of professional development in Arkansas history for educators providing instruction in Arkansas history.

(ii) If the appropriate licensed personnel has completed the Arkansas history professional development required under this subdivision (d)(2)(D) at least one (1) time before the 2023-2024 school year, he or she shall not be required to complete the Arkansas history professional development again except as may be required for the subject matter he or she teaches;

(E) Thirty (30) minutes of professional development in human trafficking prevention, including:

(i) Recognizing the warning signs that a child is a victim of human trafficking; and

(ii) Reporting a suspicion that a child is a victim of human trafficking;

(F) Two (2) hours of professional development in bullying prevention, including recognition of the relationship between incidents of bullying and the risk of suicide; and

(G) Dyslexia professional awareness, including:

(i) The characteristics of dyslexia; and

(ii) The evidence-based interventions and accommodations for

dyslexia.

(e) In addition to the professional development required for initial licensure, the following rotating schedule shall apply:

(1) Beginning with the 2023-2024 school year and every fifth year thereafter, an educator shall be required to earn the professional development on mental health awareness and teen suicide awareness and prevention required under subdivision (d)(2)(C) of this section;

(2) Beginning with the 2024-2025 school year and every fifth year thereafter, an educator shall be required to earn the professional development in bullying prevention required under subdivision (d)(2)(F) of this section; and

(3) Beginning with the 2025-2026 school year and every fifth year thereafter, an educator shall be required to earn the professional development for mandated reporters required under subdivision (d)(2)(A) of this section.

(f) The professional development in human trafficking prevention under subdivision (d)(2)(E) of this section will be offered annually.

(g) The required professional development under this section shall count toward the satisfaction of requirements for professional development in the Rules Governing Standards for Accreditation of Arkansas Public Schools and School Districts, 6 CAR pt. 61, and for licensure requirements for licensed personnel.

- (J) Training required by the Division of Elementary and Secondary Education under:
  - (i) The Arkansas Educational Support and Accountability Act, Arkansas Code § 6-15-2901 et seq.;
  - (ii) The Arkansas Fiscal Assessment and Accountability Program, Arkansas Code § 6-20-1901 et seq.;
  - (iii) Arkansas Code § 6-21-811; or
  - (iv) Any accompanying division rules; and
- (K) Annual active shooter drills under Arkansas Code § 6-15-1303.

(b) The division may require specific professional development programs for a public school district or open-enrollment public charter school identified as in need of targeted, comprehensive, or intensive support under the Rules Governing the Arkansas Educational Support and Accountability Act, 6 CAR pt. 60.

**6 CAR § 183-109. Provider and program approval process.**

(a)(1) All professional development providers and programs must be approved by the Division of Elementary and Secondary Education to be eligible to provide credit

toward required professional development.

(2) A person whose license has been revoked by the State Board of Education is not eligible to be an approved provider of professional development.

(b) At least thirty (30) days before a program is offered to educators, the professional development provider shall provide a detailed description of the entire program, including staff qualifications, to the division in an electronic format prescribed by the division.

(c) The division shall:

(1) Promptly review the content of the program for compliance with all applicable law to determine if any or all of the program content shall be deemed to provide professional development credit; and

(2) Establish the time period the professional development provider is approved to offer the program.

(d) Upon notification by the division of approval of the program, or a part or parts thereof, for professional development credit, the professional development provider may:

(1) Enroll participants in the program; and

(2) Offer the program for professional development credit for the set time period.

(e)(1) The program provider shall be responsible for the preparation and dissemination of proof of completion of the program, or parts thereof, to all attendees.

(2) All proof shall be submitted by the attendees who are employed by a public school district or open-enrollment public charter school to the:

(A) Superintendent of the district; or

(B) Chief executive of the open-enrollment public charter school.

### **6 CAR § 183-110. Funding.**

Professional development funding provided under Arkansas Code § 6-20-2305 must be directed to activities that meet the conditions described in this part and shall not be used for any other purpose unless otherwise allowed by law or rule.

**6 CAR § 183-111. Reporting, monitoring, and evaluation.**

(a) Each public school district or open-enrollment public charter school shall maintain all documents for its employees that reflect completion of professional development programs, whether those programs were provided by an outside organization or by the public school district or open-enrollment public charter school itself.

(b) Each public school district or open-enrollment public charter school shall report the amount of all professional development programs completed by its employees to the Division of Elementary and Secondary Education at the time and in the manner specified by the division.

(c)(1) The division may monitor all public school districts or open-enrollment public charter schools and all educators to whom this part applies for compliance with these requirements, and may administer appropriate sanctions as authorized by law, including the Rules Governing the Code of Ethics for Arkansas Educators, 6 CAR pt. 192, to any public school district, open-enrollment public charter school, or educator whom it finds to be in noncompliance or to have falsified reporting.

(2)(A) Regular monitoring activities of the professional development requirements within this part shall occur when the superintendent of the school district or the chief executive of the open-enrollment public charter school provides written assurance to the Commissioner of Elementary and Secondary Education as required by law.

(B) However, the division may directly monitor the professional development activities of any public school district or open-enrollment public charter school to determine compliance with the professional development requirements.

(d) All institutions of higher education shall maintain documentation for employees who wish to meet the professional development hours to maintain a license under this part.
