

SCHOOLS OF INNOVATION
2021-2022
Intent to Apply Form

Please submit your intent to apply on the Office of Innovation [website](http://innovativeed.org/soiapp/itas) at innovativeed.org/soiapp/itas. The intent to apply is only to indicate your interest in applying to become an Arkansas School of Innovation (SOI). This form provides you with an overview of the information needed to complete the online intent to apply. You will not send a paper copy.

Schools interested in applying to become a School of Innovation should attend the October 13th virtual session from 10:00-11:30 am. This informational session will provide you with an overview of the SOI application process and answer any questions.

Date:

_____ School in the _____ District
is interested in applying to become an Arkansas School of Innovation.
