I certify that

(Name of provider)

- is nonsectarian and nondiscriminatory in its programs, employment practices, and operations;
- has successful experience or partners with an organization that has successful experience in furnishing digital learning courses to public school students as demonstrated by student growth in each subject area and grade level for which digital learning courses will be provided;
- meets or exceeds the minimum curriculum standards and requirements established by the State Board
 of Education and ensures instructional and curricular quality through a <u>curriculum and accountability</u>
 <u>plan</u> that addresses every subject area and grade level for which digital learning courses will be
 provided; and
- utilizes highly-qualified teachers to deliver digital learning courses to public school students.

I understand that the requirements for being an approved digital learning provider in Arkansas are governed by Arkansas Code Annotated §§ 6-16-1401 *et seq.* and the Arkansas Department of Education Division of Elementary and Secondary Education Rules Governing Distance and Digital Learning. I further understand that failure to comply with stated requirements could result in denial of this application or withdrawal of approved status.

Digital Learning Provider approvals are valid for five years or until the Arkansas Academic Standards on which the offered courses are revised, whichever occurs first.
